Applicants can receive instructions on how to access ASAP and how to inform NIFA, Financial Operations Division (FOD) of their account number to use to make disbursements, by emailing the ASAP Customer Service email box at ASAPCustomerService@nifa.usda.gov.

- There will be two submissions in FY 2011:
 - Initial – For an estimated amount (see Appendix A) based on the FY 2010 allocation amounts.

PART I—FUNDING OPPORTUNITY DESCRIPTION

A. Legislative Authority and Background

Section 3(d) of the Smith-Lever Act provides that The Secretary of Agriculture may fund extension work in the several States, Territories, and possessions. Section 1425 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (as amended) (7 U.S.C. 3175) is also known as the Expanded Food and Nutrition Education Program (EFNEP). This law provides the basis for Federal funding for extension activities associated with disseminating the results of food and nutrition research performed or funded by the U.S. Department of Agriculture to enable low-income individuals and families to engage in nutritionally sound food purchase and preparation practices. Funding extends to EFNEP at State land-grant colleges established under the Morrill Act of July 2, 1862, as amended, and the Morrill Act of August 30, 1890, as amended, including Tuskegee University and West Virginia State University.

Section 7116 of the Food, Conservation, and Energy Act of 2008 (FCEA) amended Section 1425 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. 3175) to accomplish the following:

Notwithstanding section 3(d) of the Smith-Lever Act of May 8, 1914 (7 U.S.C. 343(d)) for administration, technical, and other services for coordinating the extension work of the Department and the several States, Territories, and possessions the remainder shall be allocated among the States as follows:

1. 1862 Institutions shall receive a base in an amount equaling their FY 1981 allocation.
2. Four percent (4%) shall be available for administrative expenses.
3. \$100,000 will be distributed to each 1862 and 1890 Land-Grant Institution including the University of the District of Columbia.
4. For fiscal year (FY) 2011 – 12 percent of funds appropriated for EFNEP in excess of funds appropriated in FY 2007 will be allocated to the 1890 Institutions in an amount that bearing the same ratio to the population living at or below 125 percent of the poverty level (as prescribed by the Office of Management and Budget and as adjusted pursuant to section 673(2) of the Community Services Block Grant Act (42 U.S.C.9902(2))) in the State where the 1890 Institution is located; bears to the total population living at or below 125 percent of the poverty level in all States where 1890 Institutions are located; as determined by the most recent decennial census at the time when the appropriated amount first exceeds levels appropriated for EFNEP in FY 2007. This FY 2011 rate of 12 percent is to increase by 1 percentage point annually until FY 2014 – maxing out at 15 percent and remaining at that level for every year thereafter.
5. The remainder will be allocated to each State in an amount that bears the same ratio to the total amount allocated as the population living at or below 125 percent of the poverty level in the State; bears to the total population living at or below 125 percent of poverty

level in all States; as determined by the most recent decennial census at the time at which each such additional amount is first appropriated.

The establishment of the National Institute of Food and Agriculture (Institute) is mandated in section 251(f) of the Department of Agriculture Reorganization Act of 1994 (7 U.S.C. 6971 (f)) as added by section 7511(a)(4) of the Food, Conservation, and Energy Act (FCEA) of 2008 (Public Law 110-246). All programs and authorities currently delegated to NIFA has been transferred to the Institute, effective October 1, 2009.

In FY 2007, the former CSREES conducted a Grants.gov pilot for the solicitation of one of the Formula Programs, the McIntire-Stennis Cooperative Forestry Program. Under this pilot the institutions were required to submit a SF-424M Application (Cover Page Form), CSREES Supplemental Form, and Key Contacts Form through Grants.gov. Please note that this application package replaced the forms/information solicited each year by the CSREES Office of Extramural Programs and did not duplicate the information being collected under the Current Research Information System (CRIS). CSREES implemented this process for all CSREES Formula Programs in FY 2008 and thereafter due to the mandated reporting requirements of the Federal Funding Accountability and Transparency Act (FFATA). Under this law, the U.S. Office of Management and Budget (OMB) was required to develop and maintain a public searchable data base for all Federal financial assistance awards, and Federal agencies are required to report specific data elements which will be collected via these applications (e.g., Dun and Bradstreet data Universal Numbering (D-U-N-S®) numbers, legal names of institutions, legal addresses, congressional districts, etc.). OMB makes this information available at <http://www.usaspending.gov>.

In FY 2011, although NIFA will require both an initial submission (based on the 2010 Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act) and final submission (based on the actual appropriated amount for FY 2011 and the actual formula distribution for FY 2011) NIFA will not require the following forms for FY 2011 for either submission:

- Standard Form (SF) 424-A, Budget Information for Non-Constructions Programs
- Budget Narrative attachment form

However, the initial and final submissions will require some EFNEP-specific forms.

Please note that the submission of this application package does not change the following:

- Delegated authorities of the State Extension Director or 1890 Administrator;
- How funds are managed at your institution; and
- Indirect costs and tuition remission are unallowable costs.

Guidelines for the administration of this program are published as Chapter III, Financial Operations, of the Administrative Handbook for Cooperative Extension Work, which may be accessed at <http://www.nifa.usda.gov/business/awards/formula/manuals/coopextension.pdf>.

Please note that any instructions in this FGO supersede policies and procedures identified in this

manual. In 2011, NIFA will be revising this manual and will promulgate administrative provisions for this program through rulemaking which includes a public comment period.

The 2010 Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act (Pub. L. 111-80) provides \$67,547,880 for this program under section 3(d) of the Smith-Lever Act.

B. Purpose and Priorities

The purpose of this funding is to increase the impact of nutrition education disseminated to low-income families and youth in the 50 states, the U.S. territories, and the District of Columbia.

PART II—AWARD INFORMATION

A. Available Funding

Subject to any 2011 Continuing Resolutions, funds will be distributed to the institutions on a quarterly basis and according to the revised formula at the FY 2010 appropriated level. See Appendix A for the specific allocations. Adjustments will be made to the allocations for FY 2011 once the FY 2011 appropriations are finalized.

EFNEP funds are expected to be fully expended in the fiscal year of appropriation; however funds may be carried over for up to four (4) years after the end of the year for which they were appropriated.

B. Types of Submission

Initial Submission:

In FY 2011 pre-award form submissions must be submitted to EFNEP as a “new” application on the www.grants.gov website. The SF-424(R&R) Application Package should include:

Please note that the EFNEP forms are not a part of the Grants.gov Application Package. The EFNEP forms must be submitted as PDF attachments. Attach the PDF documents to the “Application for Federal Assistance”. To attach the PDF documents to the form, go to “1) Please add Attachment 1,” click on “Add Attachment,” and follow the instructions.

**An EFNEP budget sheet and budget justification narrative do not need to be submitted as part of the “initial” FGO unless the institution anticipates significant changes from what was submitted with their FY2010 final FGO package. If a revised budget sheet and justification are not being submitted, a statement in the Annual Update indicating as such must be included.*

Final Submission (solicited under a FY 2011 FGO-Final):

Please note that the EFNEP forms are not a part of the Grants.gov Application Package. The EFNEP forms must be submitted as PDF attachments. Attach the PDF documents to the “Application for Federal Assistance”. To attach the PDF documents to the form, go to “1) Please add Attachment 1,” click on “Add Attachment,” and follow the instructions.

**An EFNEP 5-Year Plan does not need to be submitted as part of the “final” FGO unless the institution anticipates significant changes from what was submitted with their FY2011 initial FGO package. If a revised budget sheet and justification are not being submitted, a statement in the 5-Year Plan indicating as such must be included.*

See PART IV.B. for further information on completing the EFNEP PDF forms.

C. Project Types

Applicants should request funding equal to the amounts in Appendix A. NIFA will fund EFNEP in FY 2011 for approved EFNEP projects.

Projects should consist of employing and training professional and paraprofessional (peer educator) staff to engage in direct nutrition education and other appropriate nutrition education efforts with low-income families and youth. To the maximum extent practicable, peer educators shall be hired from the “indigenous target population.”

EFNEP serves two primary low-income audiences: 1) families with young children (parents and other caregivers with primary responsibility for feeding young children); and 2) youth/children.

The objectives of EFNEP are to assist low-income families and youth in acquiring knowledge, skills, attitudes, and changed behaviors necessary for nutritionally sound diets and to contribute

to their personal development and improvement of the total family diet and nutritional well-being.

Participation in EFNEP should result in:

- Improved diets and nutritional well-being of the total family;
- Increased knowledge of the essentials of human nutrition – particularly as reflected in the Federal Food Guidance System;
- Increased ability to select and buy food that meets nutritional needs;
- Improved practices in food production, preparation storage, safety, and sanitation;
- Increased ability to manage food budgets and related resources such as electronic benefit transfer cards from the Supplemental Nutrition Assistance Program (formerly the Food Stamp Program).
