Program Overview, Objectives, and Priorities

The Office of Citizenship (OoC), within U.S. Citizenship and Immigration Services (USCIS), Department of Homeland Security (DHS), is charged with promoting instruction and training on the rights and responsibilities of citizenship. USCIS recognizes that naturalization is the most important milestone in the civic assimilation of immigrants.

Naturalization requirements, such as knowledge of English and of U.S. history and civics, encourage civic learning and build a strong foundation upon which immigrants can fully assimilate into society. Through preparing for naturalization, immigrants will gain the tools to become successful citizens and meet their responsibilities as United States citizens.

The goal of the Citizenship and Assimilation Grant Program is to expand the availability of high quality citizenship preparation services for lawful permanent residents across the nation and to provide opportunities for lawful permanent residents to gain the knowledge and training necessary to assimilate into the fabric of American society.

Additional activities that support this goal include developing, identifying, and sharing best practices in citizenship preparation; increasing the use of and access to technology in citizenship preparation programs; working with local libraries and museums which serve as vital resources for immigrant communities; and incorporating strategies to foster welcoming communities as part of the citizenship and civic assimilation process.

Furthermore, the goals of the Citizenship and Assimilation Grant Program address the DHS mission to **Enforce and Administer Our Immigration Laws** as stated in the 2014 Quadrennial Homeland Security Review as the program provides lawful permanent residents instruction on the rights and responsibility of U.S. citizenship and information and support on how to apply for naturalization within the authorized practice of immigration law.

Participation in E-Verify

As outlined in Appendix B and as a condition of receipt of funding under the award, grant recipients and sub-awardees must enroll (if not already enrolled) in E-Verify; use E-Verify to confirm employment eligibility of all new hires of the recipient, who are working in the United States, at hiring sites performing work under the program or activity funded in whole or in part under the award; and take steps as may be necessary to ensure award and sub award recipient compliance with the E-Verify requirements.

Request for Proposals

In fiscal year (FY) 2019, a total of approximately \$9,000,000 in federal funding is available for eligible organizations to provide direct citizenship preparation services to lawful permanent residents through this funding opportunity. USCIS anticipates awarding approximately 36 grants of up to \$250,000 each.

Proposed citizenship preparation activities **must** include the following two components:

- 1. Citizenship instruction** to prepare lawful permanent residents for the naturalization test and interview. Program design must include:
 - a. Instruction in U.S. history and government for test preparation and the promotion of civic assimilation in English. Applications to provide instruction in languages other than English will be deemed ineligible;
 - b. Activities that promote civic and linguistic assimilation;
 - c. English as a Second Language (ESL) instruction in reading, writing, and speaking;
 - d. Instruction on the naturalization process and eligibility interview;

- e. The use of a nationally normed standardized test of English proficiency to place and assess progress of all students enrolled under this program. (Note: The CASAS citizenship test may not be used for this purpose as it is not a test of English language proficiency.) At least 80% of post tested students must demonstrate education gains as evidenced by increased standardized test scores;
- f. The use of a current adult citizenship textbook that aligns with the skill level of the students in the class (published textbooks only, compilations of worksheets or handouts will not be accepted); all students must be issued a textbook for their own personal use;
- g. A sample curriculum that includes all of the components contained in the USCIS Sample Curriculum found on the Citizenship Resource Center at www.uscis.gov/citizenship/educators/program-development including:
 - (1) Instruction in U.S. history and government for test preparation and the promotion of civic assimilation;
 - (2) Activities that promote civic and linguistic assimilation;
 - (3) English as a Second Language (ESL) instruction in reading, writing, and speaking for the naturalization test, naturalization process, and to conduct required assimilation activities; and
 - (4) Instruction on the eligibility interview (N-400);
- h. The provision of at least 40 hours of citizenship instruction over a 10-12 week class cycle with managed enrollment to at least 200 students at the National Reporting System for Adult Education (NRS) low beginning to high intermediate levels; and
- i. The use of citizenship teachers who have at least one year of experience teaching ESL to adults and who:
 - (1) Hold a degree in TESOL; and/or
 - (2) Hold TESOL certification from a state licensing agency; and/or
 - (3) Have a minimum of 2 years of experience in TESOL instruction in a classroom setting for a program that utilizes a textbook and a structured curriculum.

Classes offered at the NRS literacy level (1) or at the NRS advanced level (6) are not eligible for funding under this program. Classes offered in languages other than English are not eligible for funding under this program. Tutoring services do not count towards the minimum 40 hours of classroom instruction.

Grant-funded classes must integrate instruction in U.S. history and government; civics- based ESL instruction in reading, writing, and speaking; and instruction on the naturalization process and eligibility interview. For more detailed information on the content and competencies that applicants are required to address in grant-funded classes, please review the *Guide to the Adult Citizenship Education Content Standards and Foundation Skills* found at www.uscis.gov/sites/default/files/USCIS/Office of Citizenship/Citizenship Resource Center Site/Publications/M-1121.pdf.

Grant-funded programs must also incorporate a minimum of two civic assimilation learning activities into class curricula. The intent of this requirement is to encourage students to extend knowledge acquisition beyond traditional classroom instruction through opportunities to experience and navigate American civic life firsthand through in-depth learning activities. Applicants are encouraged to draw upon their local resources, venues, and landmarks when conceptualizing and designing these civic assimilation learning activities. Suggested categories for the required assimilation activities include but are not limited to:

- a. Site-based civic assimilation activities – local trips outside the classroom to sites and landmarks of historical and/or cultural significance, libraries, museums, other local public entities, and organizations that promote public safety, etc.;
- b. Classroom-based civic assimilation activities – activities that may involve guest speakers such as local civic leaders and public servants to provide the opportunity for student interaction and

exchange, or the use of multimedia and/or materials-based methods that promote an enhanced understanding of key moments in U.S. history and/or the form and function of local, state, and federal government;

- c. Civic participation – activities that encourage students to take participatory learning beyond the classroom by attending a public meeting, volunteering, or participating in local civic institutions; and
- d. Other assimilation activities – activities that promote in-depth understanding of the student’s role as a future citizen of the United States, including: the rights and responsibilities of citizenship; our shared American history; government functions, structure and laws; geography; traditions and symbols; and holidays. These can be external or in-class.

2. Naturalization application services, within the scope of the authorized practice of immigration law, to support lawful permanent residents in the naturalization application and interview process. Services must include:

- a. The provision of naturalization eligibility screening;
- b. The preparation and submission of Form N-400, Application for Naturalization with Form G-28, Notice of Entry of Appearance as Attorney or Accredited Representative, over the two-year period of performance for at least 200 lawful permanent residents;
- c. Ongoing immigration case management;
 - d. The use of a U.S. Department of Justice (DOJ) Office of Legal Access Programs Accredited Representative (partial accreditation is acceptable) or an attorney who is an employee of the applicant organization or the sub-awardee organization. (Pro bono or volunteer attorneys may be used to supplement the program but may not serve as the applicant’s sole provider of immigration legal services, nor serve as a supervisor to staff members who are not Accredited Representatives and provide such services.) Attorneys and Accredited Representatives must sign Form N-400 as the preparer, and submit Form G-28 with each Form N-400 filed under this grant, preferably using online filing through <https://www.uscis.gov/n-400> Grantees are strongly encouraged to file forms electronically whenever possible. In the case that e-filing is not a viable option, the grantees’ legal service provider is required to mail the naturalization application package to USCIS on behalf of the client. Applications may not be given to the client to mail. The legal service provider is required to file the application on the client’s behalf. The applicant must demonstrate an established process in place to refer individuals with complex immigration matters beyond the scope of the services provided under this grant to a qualified attorney.

Services may include interview preparation, a representative’s appearance at the naturalization interview, responding to a Request for Evidence (RFE), and filing other forms or documents (such as Form N-648, Medical Certification for Disability Exceptions), if applicable.

Partnerships

Partnerships are encouraged. Applicants may include partnerships with other public or non-profit organizations in their proposal. The principal applicant must directly provide either citizenship instruction or naturalization application services, or both. A partner organization is considered a “sub-awardee” if the organization will receive a portion of the grant funding to provide additional or complementary direct citizenship instruction or naturalization application services.

The applicant must complete a Memorandum of Understanding (MOU) with the prospective sub-awardee and submit it with the application. The applicant must clearly demonstrate how it will monitor the prospective sub-awardee’s performance and ensure that the prospective sub-awardee complies with all grant

award conditions and data reporting requirements. The MOU must state the minimum number of students/clients to whom the sub-awardee will provide services; how grant funding will be allocated to fund the services; and that as a condition of receipt of funding under the award, the sub-awardee must enroll (if not already enrolled) in E-Verify, use E-Verify to confirm employment eligibility of all new hires of the recipient, who are working in the United States, at hiring sites performing work under the program or activity funded in whole or in part under the award, and take steps as may be necessary to ensure its compliance with the E-Verify requirements. Prospective sub-awardees must have their own individual Data Universal Numbering System (DUNS) number and will be responsible for financial and performance reporting. Sub-awardees must submit their reports to the primary applicant for submission to DHS.

Performance Metrics

For this grant program, organizations will be evaluated based on the following performance metrics:

1. The number of newly enrolled non-duplicated lawful permanent residents in citizenship instruction classes (Minimum of 200);
2. Percentage of enrolled students who post-test using nationally approved standardized tests of English language proficiency (Minimum of 80%);
3. Percentage of post-tested students demonstrating measurable educational gains (Minimum of 80%);
4. Number of lawful permanent residents for whom your organization will provide eligibility screenings (Minimum of 200); and
5. Number of lawful permanent residents for whom your organization will prepare and submit Form N-400 and Form G-28 (Minimum of 200).

Required Forms

See Appendix A for required forms.

Electronic Delivery

DHS is participating in the Grants.gov initiative to provide the Grant Community with a single site to find and apply for grant funding opportunities. DHS encourages applicants to submit their applications online through Grants.gov.

How to Register to Apply through Grants.gov

1. Read the instructions below about registering to apply for DHS funds. Applicants should read the registration instructions carefully and prepare the information requested before beginning the registration process. Reviewing and assembling the required information before beginning the registration process will alleviate last-minute searches for required information.

The registration process can take up to four weeks to complete. Therefore, registration should be done in sufficient time to ensure it does not impact your ability to meet required application submission deadlines.

Organizations must have a Data Universal Numbering System (DUNS) Number, active System for Award Management (SAM) registration, and Grants.gov account to apply for grants.

If individual applicants are eligible to apply for this grant funding opportunity, refer to: www.grants.gov/web/grants/applicants/registration.html

Organization applicants can find complete instructions here: www.grants.gov/web/grants/applicants/organization-registration.html

2. All entities applying for funding, including renewal funding, must have a Data Universal Numbering System (DUNS) number from Dun & Bradstreet (D&B). Applicants must enter the DUNS number in the data entry field labeled "Organizational DUNS" on the (SF)-424 form.

For more detailed instructions for obtaining a DUNS number, refer to: www.grants.gov/web/grants/applicants/organization-registration/step-1-obtain-duns-number.html

3. In addition to having a DUNS number, all organizations applying online through Grants.gov must register with System for Award Management (SAM). Failure to register with SAM will prevent your application from applying through Grants.gov. SAM registration must be renewed annually.

For more detailed instructions for registering with SAM, refer to: www.grants.gov/web/grants/applicants/organization-registration/step-2-register-with-sam.html

4. The next step in the registration process is to create an account with Grants.gov. Applicants must know their organization's DUNS number to complete this process.

For more information, follow the on-screen instructions or refer to: www.grants.gov/web/grants/applicants/registration.html

5. A profile in Grants.gov corresponds to a single applicant organization the user represents (i.e., an applicant) or an individual applicant. If you work for or consult with multiple organizations and have a profile for each, you may log in to one Grants.gov account to access all of your grant applications. To add an organizational profile to your Grants.gov account, enter the DUNS Number for the organization in the DUNS field while adding a profile.

For more detailed instructions about creating a profile on Grants.gov, refer to:
www.grants.gov/web/grants/applicants/registration/add-profile.html

6. After you register with Grants.gov and create an Organization Applicant Profile, the organization applicant's request for Grants.gov roles and access is sent to the EBiz Point of Contact (POC). The EBiz POC will then log in to Grants.gov and authorize the appropriate roles, which may include the AOR role, thereby giving permission to complete and submit applications on behalf of the organization. You will be able to submit your application online any time after you have been assigned the AOR role.

For more detailed instructions about creating a profile on Grants.gov, refer to:
www.grants.gov/web/grants/applicants/registration/authorize-roles.html

To track your role request, refer to: www.grants.gov/web/grants/applicants/registration/track-role-status.html

7. When applications are submitted through Grants.gov, the name of the organization applicant with the AOR role that submitted the application is inserted into the signature line of the application, serving as the electronic signature. **The EBiz POC must authorize individuals who are able to make legally binding commitments on behalf of the organization as an AOR; this step is often missed but is crucial for valid and timely submissions.**

How to Submit an Application to DHS via Grants.gov

Grants.gov applicants can apply online using Workspace. Workspace is a shared, online environment where members of a grant team may simultaneously access and edit different web forms within an application. For each funding opportunity announcement (FOA), you can create individual instances of a workspace.

Below is an overview of applying on Grants.gov. For access to complete instructions on how to apply for opportunities using Workspace, refer to: www.grants.gov/web/grants/applicants/workspace-overview.html

1. Creating a workspace allows you to complete the application online and route it through your organization for review before submitting.
2. Add participants to the workspace to work on the application together, complete all the required forms online or by downloading PDF versions, and check for errors before submission.
3. If you decide not to apply by filling out webforms you can download individual PDF forms in Workspace so that they will appear similar to other Standard or DHS forms. The individual PDF forms can be downloaded and saved to your local device storage, network drive(s), or external drives, then accessed through Adobe Reader.

NOTE: Visit the Adobe Software Compatibility page on Grants.gov to download the appropriate version of the software at: www.grants.gov/web/grants/applicants/adobe-software-compatibility.html

4. In the forms, you will note fields marked with an asterisk and a different background color. These fields are mandatory fields that must be completed to successfully submit your application.
5. The forms are designed to fill in common required fields across other forms, such as the applicant name, address, and DUNS number. **To trigger this feature, an applicant must complete the SF-424 information first.** Once it is completed, the information will transfer to the other forms.
6. An application may be submitted through workspace by clicking the “Sign and Submit” button on the Manage Workspace page, under the Forms tab. Grants.gov recommends submitting your application package at least 24-48 hours prior to the close date to provide you with time to correct any potential technical issues that may disrupt the application submission.
7. After successfully submitting a workspace package, a Grants.gov Tracking Number (GRANTXXXXXXXX) is automatically assigned to the application. The number will be listed on the Confirmation page that is generated after submission. Using the tracking number, access the Track My Application page under the Applicants tab or the Details tab in the submitted workspace.

For additional training resources, including video tutorials, refer to:

www.grants.gov/web/grants/applicants/applicant-training.html

Grants.gov provides applicants 24/7 support via the toll-free number 1-800-518-4726 and email at support@grants.gov. For questions related to the specific grant opportunity, contact the number listed in the application package of the grant you are applying for.

If you are experiencing difficulties with your submission, it is best to call the Grants.gov Support Center and get a ticket number. The Support Center ticket number will assist the DHS with tracking your issue and understanding background information on the issue.

Timely Receipt Requirements and Proof of Timely Submission

All applications must be received by **Midnight Eastern Daylight Time** on the due date established for each program. Proof of timely submission is automatically recorded by Grants.gov. An electronic date/time stamp is generated within the system when the application is successfully received by Grants.gov. The applicant with the AOR role who submitted the application will receive an acknowledgement of receipt and a tracking number (GRANTXXXXXXXX) from Grants.gov with the successful transmission of their application. This applicant with the AOR role will also receive the official date/time stamp and Grants.gov Tracking number in an email serving as proof of their timely submission. When DHS successfully retrieves the application from Grants.gov, and acknowledges the download of submissions, Grants.gov will provide an electronic acknowledgment of receipt of the application to the email address of the applicant with the AOR role who submitted the application. Again, proof of timely submission will be the official date and time that Grants.gov receives your application. Applications received by Grants.gov after the established due date for the program will be considered late and will not be considered for funding by DHS.

Applicants using slow internet, such as dial-up connections, should be aware that transmission can take

some time before Grants.gov receives your application. Again, Grants.gov will provide either an error or a successfully received transmission in the form of an email sent to the applicant with the AOR role. The Grants.gov Support Center reports that some applicants end the transmission because they think that nothing is occurring during the transmission process. Please be patient and give the system time to process the application.

Intergovernmental Review

An intergovernmental review may be required. Applicants must contact their state's Single Point of Contact (SPOC) to comply with the state's process under Executive Order 12372 (see www.fws.gov/policy/library/rgeo12372.pdf).

Any non-federal entity that has never received a negotiated indirect cost rate (except for those non-federal entities described in [Appendix VII to Part 200](#) States and Local Government and Indian Tribe Indirect Cost Proposals, paragraph D.1.b) will be subject to a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. As described in [§200.403](#) Factors Affecting Allowability of Costs, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. If chosen, this methodology once elected must be used consistently for all federal awards until such time as a non-federal entity chooses to negotiate for a rate, which the non-federal entity may apply to do at any time. For more information, see [2 CFR Part 200.414](#).

E. Application Review Information

Application Evaluation Criteria

Prior to making a federal award, the federal awarding agency is required by 31 U.S.C. 3321 and 41 U.S.C. 2313 to review information available through any OMB-designated repositories of government wide eligibility qualification or financial integrity information. Therefore application evaluation criteria may include the following risk based considerations of the applicant:

2. Quality of management systems and ability to meet management standards;
3. History of performance in managing a federal award;
4. Reports and findings from audits; and
5. Ability to effectively implement statutory, regulatory, or other requirements.

DHS will use the following criteria to evaluate applications deemed eligible and responsive. Applicants can receive up to 100 points.

1. Capacity to Provide Comprehensive Citizenship Instruction (15 Points)

The extent to which the applicant demonstrates:

- a) Recent (in the past 5 years) and extensive (a minimum of 2 years) experience providing citizenship instruction (6 points);

- d) Qualified and experienced personnel (as described in the project narrative requirements) (12 points).¹

DHS requires that all applicants demonstrate experience providing naturalization application services within the authorized practice of immigration law. Applications that fail to demonstrate this will not be scored on criteria 3 and 4 and as a result will be deemed ineligible.

3. Capacity to Provide Comprehensive Naturalization Application Services (15 Points)

The extent to which the applicant demonstrates:

- a) Recent experience providing naturalization application services within the authorized

¹ Please see USCIS' [Professional Development Guide for Adult Citizenship Educators](#) for competencies USCIS would expect qualified and experienced personnel to demonstrate in the citizenship instruction classroom.

- practice of immigration law (10 points); and
- b) The need for naturalization application services within the lawful permanent resident community that the applicant serves (5 points).
- 4. Quality of the Naturalization Application Services Program (30 Points)** The extent to which the applicant proposes a high quality naturalization application services program, including:
- a) Attainable naturalization application services program goals (3 points);

Review and Selection Process

DHS will conduct an initial review of applications to determine the responsiveness of the application. If an applicant is determined to be ineligible (see Section C. Eligibility Information) or an application is determined to be non-responsive, DHS will notify the applicant. All responsive and eligible applications will be reviewed as described below:

1. DHS will assemble reviewers which may include both federal and non-federal reviewers to review the eligible applications. Reviews of submitted applications will be conducted either on site or by remote review.
2. Teams of technical reviewers will review each eligible application against the evaluation criteria. The reviewers will assign a score and provide summary comments based on the evaluation criteria identified above.
3. An application may be selected for post-review quality control and possible rescore if it received significantly diverging scores and comments from reviewers.
4. An internal review panel consisting of DHS staff will review the highest ranked applications and make final funding recommendations. The internal review panel may take applications out of rank order in consideration of strategic program priorities, which are identified below.
5. DHS may perform an additional review of the applicant organization and any sub- awardees

and/or its key personnel. This may include reviewing audit reports, publicly available materials, and/or government data which may have a bearing on award outcome. DHS may request additional materials from the applicant as part of this review, including:

- a) The summary letter from the applicant’s most recent audit report;
 - b) Documentation of previous grant award completion that includes the name of the grantor, amount awarded, and whether the grant recipient sufficiently completed the requirements of the grant award (e.g., a final close-out report, certification of grant award completion, etc.);
 - c) A pre award site visit or investigation to determine and validate current services and proposed activities; and
 - d) A site visit conducted in the case of a contingent award in order to evaluate the organization’s ability to satisfy the programmatic and administrative requirements of the grant. DHS reserves the right to not pursue the completion of the award process if preliminary investigations and/or site visits do not provide sufficient evidence of organizational capacity to successfully administer the proposed grant.
6. After the technical review and before making final funding decisions, DHS will contact the highest ranking applicants to seek clarification and to negotiate technical and programmatic aspects of the application. This will include negotiations on the curriculum content, staffing, and activities. If an application includes a sub-awardee that will provide additional or complementary direct grant-funded services in partnership with the main applicant, DHS may request to speak with all parties included in the application to ensure sufficient planning and coordination has taken place prior to making an award.
7. The maximum possible funding amount will be determined based on the application’s average score according to the following schedule:

Application Average Score	Maximum Possible Funding Amount
90 – 100	\$250,000
80 - 89	\$237,500
70 - 79	\$225,000

8. **Confidentiality and Conflict of Interest.** Technical and cost proposals submitted under this NOFO will be protected from unauthorized disclosure in accordance with applicable laws and regulations. DHS may use one or more support contractors in the logistical processing of proposals however, funding recommendations, and final award decisions are solely the responsibility of DHS personnel.

DHS screens all technical reviewers for potential conflicts of interest. To determine possible conflicts of interest, DHS requires potential reviewers to complete and sign conflict of interest and nondisclosure forms. DHS will keep the names of submitting institutions and individuals as well as the substance of the applications confidential except to reviewers and DHS staff involved in the award process. DHS will destroy any unsuccessful applications after three years following the funding decision.

9. DHS strongly discourages, and will not consider, any supplementary materials submitted by or on behalf of the applicant (e.g., letters of support) other than those materials specifically requested in this NOFO.

10. DHS will notify all applicants electronically of funding decisions. Unfunded applicants may send a written request to citizenshipgrantprogram@uscis.dhs.gov to receive a written summary of comments related to the evaluation criteria, along with the points awarded to the application for each of the evaluation criteria. DHS will send the written summary to the applicant within 60 days of the request. Additional information beyond that described here will not be provided.

Strategic Program Priorities

Based on the recommendations of the internal review panel, DHS may consider the following factors when making an award:

- 1. Program Balance Factors**, including (in descending order of importance):
 - a) Whether an application, when balanced with other potential awards and with existing Citizenship and Assimilation Grant Program recipients, represents a diverse geographic area;
 - b) Whether an application, when balanced with other potential awards and existing Citizenship and Assimilation Grant Program recipients, represents a diverse population;
 - c) Whether an application, when balanced against other potential awards with similar scores, incorporates:
 - (1) E-filing of naturalization applications; and/or
 - (2) Use of technology in the citizenship instruction program that would help immigrant students to gain sufficient digital literacy skills to navigate USCIS' educational resources and online application system; and/or
 - (3) Cooperation with local libraries and museums.
- 2. The past performance of a previous Citizenship and Assimilation Grant Program recipient (if applicable)**, including:
 - a) Whether a previous grant recipient achieved their core program goals (number of students enrolled, number of eligibility screenings, number of Forms N-400 filed, percentage of students pre and post-tested, and percentage of student demonstrating educational gain). Failure to achieve at or above the following will be considered a failure to meet the goals related to testing and education gains:
 - (1) 60% of enrolled students are pre and post-tested using an NRS- approved ESL assessments; and/or
 - (2) 60% of pre and post-tested students show a measurable gain on the NRS- approved ESL assessments.
 - b) Whether a previous grant recipient had major findings during a monitoring visit and failed to resolve them in the prescribed time period;
 - c) Whether a previous grant recipient was placed on restricted drawdown status for cause, and if so, whether they were able to meet the conditions to have this restriction removed; and
 - d) Whether a previous grant recipient demonstrated an ability to file accurate and timely quarterly performance reports.

Prior to making a federal award with a total amount of federal share greater than the simplified acquisition threshold, DHS is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM (currently FAPIIS).

An applicant, at its option, may review information in the designated integrity and performance systems accessible through SAM and comment on any information about itself that a federal awarding agency

previously entered and is currently in the designated integrity and performance system accessible through SAM.

DHS will consider any comments by the applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under federal awards when completing the review of risk posed by applicants as described in 2 CFR §200.205 federal awarding agency review of risk posed by applicants.

F. Federal Award Administration Information

Notice of Award

DHS issues formal award notification documents following fulfillment of DHS Congressional notifications. All DHS grants and cooperative agreements are subject to the standard DHS Award Terms and Conditions, which are attached to this package.

A grant award will be executed by a DHS Grants Officer authorized to obligate DHS funding. Organizations that are being funded for the first time under this grant program will be placed on restricted drawdown until quarterly performance goals are met. Unsuccessful applicants will be contacted as well and will be encouraged to apply for future grant award programs. Announcements for future Grant opportunities will be listed at www.grants.gov.

Administrative and National Policy Requirements

All successful applicants for all DHS grant and cooperative agreements are required to comply with DHS Standard Terms and Conditions, which are available online at: [DHS Standard Terms and Conditions](#)

The applicable DHS Standard Terms and Conditions will be for the last year specified at that URL, unless the application is for a continuation of award. In that event, the terms and conditions in effect for the fiscal year that the award was originally made will apply.

Before accepting the award, the AOR should carefully read the award package for instructions on administering the grant award and the terms and conditions associated with responsibilities under federal awards. Recipients must accept all conditions in this NOFO as well as any special terms and conditions in the Notice of Award to receive an award under this program.

Post-award program income: In the event program income becomes available to the recipient post-award, it is the recipient's responsibility to notify the DHS Grants Officer to explain how that development occurred, as part of their request for guidance and/or approval. The Grants Officer will review approval requests for program income on a case-by-case basis; approval is not automatic. Consistent with the policy and processes outlined in 2 CFR Part 200, pertinent guidance and options, as determined by the type of recipient and circumstances involved, may be approved by the Grants Officer. If approval is granted, an award modification will be issued with an explanatory note in the remarks section of the face page concerning guidance and/or options pertaining to the recipient's approved request. All instances of program income must be listed in the progress and financial reports.

Reporting

Federal Financial Reporting Requirements

The Recipient must submit a Federal Financial Report (SF425) to the DHS Grants Officer no later than 30 days after the end of the reporting period end date. The Federal Financial Reporting Form (FFR) is available online at: <https://www.grants.gov/web/grants/forms.html>

Program Performance Reporting Requirements

The recipient is required to submit the following performance reports:

Quarterly Performance Reports must be submitted to the USCIS Program Office and the DHS Grants Officer within 30 days after the end of each quarter. Reports are due January 30, April 30, July 30, and October 30. Reports must be submitted via the USCIS GrantBook platform and GrantSolutions.gov using the **Grant Note submission guidance** found here: www.grantsolutions.gov/support/granteeUsers.html.

Grant recipients must collect and report data on each lawful permanent resident served with grant funding, which may include:

1. Alien registration numbers. These numbers may be used by USCIS to track naturalization outcomes during and after the period of performance;
2. Countries of birth;
3. When specific services were provided, including client enrollments, naturalization eligibility screenings, referrals for literacy and ESL instruction, Forms N-400 and G-28 filed and referral for professional recertification;
4. Assessment data, including pre and post test scores;
5. Classes attended, including the number of hours in class;
6. When students and clients either passed or failed the naturalization test; and
7. When students and clients naturalized.

Grantees are required to collect the data listed above and submit it to DHS quarterly. These data are used to measure and track grantee performance and assess the success of individual programs as well as the collective performance of all grantees. All grantee performance data can be used to determine continued and future USCIS grant funding.

Grant recipients must also collect and report data on citizenship classes provided, which may include:

1. Class titles and proficiency levels;
2. Dates when classes are held;
3. The instructor teaching each class;
4. The number of instructional hours provided per class; and
5. The number of students enrolled per class.

In addition to collecting these data, grant recipients must also provide quarterly narrative reports. The narrative report may include questions on the following topics: program accomplishments, progress meeting goals, progress of the sub-awardee organization (if applicable), challenges in meeting goals, staff and/or organizational development activities, student assessment and progress, outreach activities, volunteer recruitment and training, staff changes, progress made towards DOJ accreditation, and promising practices.

For financial reports grant recipients must use the OMB-approved Performance Progress Report (<https://apply07.grants.gov/apply/forms/sample/SF425-V1.0.pdf>). USCIS will provide guidance on attachments to include with the report.

Monitoring

DHS, through its authorized representatives, has the right, at all reasonable times, to make site visits to review project accomplishments and management control systems and to provide such technical assistance as may be required. During site visits, DHS will review grant recipients' files related to the grant-funded program.

As part of any monitoring and program evaluation activities, grant recipients must permit DHS, upon reasonable notice, to review grant-related records and to interview the organization's staff and clients regarding the program, and to respond in a timely and accurate manner to DHS requests for information relating to their grant program.

Recipients that are new to the USCIS Office of Citizenship and/or first time federal funds recipients, will receive an on-site monitoring visit within the first year of award initiation. If the monitoring visit results in a determination that basic, minimum requirements as outlined in the Notice of Funding Opportunity are not being met, DHS may require corrective actions and/or initiate termination of the award.

Close Out Reporting Requirements

Within 90 days after the end of the period of performance, or after an amendment has been issued to close out a grant, whichever comes first, recipients must submit a final FFR and final progress report detailing all accomplishments and a qualitative summary of the impact of those accomplishments throughout the period of performance.

The final performance report must include cumulative quantitative data, program accomplishments and challenges, and any promising practices related to direct service provision to lawful permanent residents.

If applicable, an inventory of all construction projects that used funds from this program must be reported with the final progress report.

After these reports have been reviewed and approved by DHS FAO, a close-out notice will be completed to close out the grant. The notice will indicate the period of performance as closed, list any remaining funds that will be de-obligated, and address the requirement of maintaining the grant records for three years from the date of the final FFR.

The recipient is responsible for returning any funds that have been drawn down but remain as unliquidated on recipient financial records.

Disclosure: Risk Assessment Evaluation

DHS staff will evaluate the risks to the program posed by each highly-ranked applicant, including conducting due diligence to ensure an applicant's ability to manage federal funds. This evaluation is in addition to the evaluation of the applicant's eligibility and the quality of its application on the basis of the Selection Criteria, and results from this evaluation may assist funding decisions. This evaluation may include a pre-award site visit, and for organizations who have not received prior DHS Grants and Financial Assistance Division (GFAD), awards may be required to complete a risk assessment questionnaire as part of the pre-award financial and administrative review. If an award is made, DHS may apply special conditions that correspond to the degree of risk of the award.

In evaluating risks, DHS may consider the following:

1. Financial stability;
2. Quality of management systems and ability to meet the management standards prescribed in applicable OMB Guidance;
3. Applicant's record in managing previous federal awards, cooperative agreements, or procurement awards, including:
 - a) Timeliness of compliance with applicable reporting requirements
 - b) Accuracy of data reported
 - c) Conformance to the terms and conditions of previous federal awards
 - d) If applicable, the extent to which any previously awarded amounts will be expended prior to future awards
 - e) Information available through OMB-designated repositories of government-wide eligibility qualification or financial integrity information, such as: Federal Awardee Performance and Integrity Information System (FAPIIS), Duns and SAM
 - f) Reports and findings from single audits performed under Subpart F – Audit Requirements, 2 CFR Part 200 and findings and reports of any other available audits
 - g) Applicant organization's annual report
 - h) Publicly available information, including information from the applicant organization's website; and
 - i) Applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on award recipients.

Applicant Disclosure of High Risk Status

Applicants are to disclose if they are currently designated as high risk by a federal awarding agency. This includes, but is not limited to, any status requiring additional oversight by a federal awarding agency due to past programmatic, administrative or financial concerns. If an applicant is

designated as high risk by a federal awarding agency, it should provide an explanation with the application package and include the following information:

1. The federal awarding agency that assigned the high risk status;
2. The federal awarding agency's point of contact for the risk status, including name, phone number and email address;
3. Date of the risk status designation;
4. Reason(s) for the risk status.

DHS seeks this information to ensure appropriate federal oversight of all grant awards. The disclosure of an organization's risk status does not disqualify it from receiving an award; however, additional grant oversight may be required. If necessary, this information will be provided in the award documentation. Failure to disclose high risk status may result in award termination or other remedies.
