Program Description

Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem-solving techniques to proactively address the immediate conditions that give rise to public safety issues such as violent crime, nonviolent crime, and fear of crime.

Community Policing Development (CPD) funds are used to develop the capacity of law enforcement to implement community policing strategies by providing guidance on promising practices through the development and testing of innovative strategies; building knowledge about effective practices and outcomes; and supporting new, creative approaches to preventing crime and promoting safe communities.

The COPS Office is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and build trust between law enforcement and the community.

Statutory Authority

This program is authorized under the Omnibus Crime Control and Safe Streets Act of 1968, as amended, and the Violent Crime Control and Law Enforcement Act of 1994, Title I, Part Q, Public Law 103-322, 34 U.S.C. § 10381 et seq.

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

Program-Specific Information

- This program is authorized under the Omnibus Crime Control and Safe Streets Act of 1968, as amended, and the Violent Crime Control and Law Enforcement Act of 1994, Title I, Part Q, Public Law 103-322, 34 U.S.C. § 10381 et seq.
- All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.
- For all identified deliverables, the applicant should adhere to the [COPS Office Editorial and Style Manual](#). For projects that propose site-specific work, letters of support from the targeted agencies are strongly encouraged.

With any programmatic questions, please contact the COPS Office Response Center at 800-421-6770 or send questions via email to AskCopsRC@usdoj.gov. The COPS Office Response Center operates Monday through Friday, 9:00 a.m. to 5:00 p.m. ET, except on federal holidays.

Program Goals

Under this solicitation, the COPS Office seeks to support projects that allow for the identification and expansion of promising practices and produces knowledge products that follow the principles of good guidance:

- Quality-driven, with an emphasis on action statements to drive promising practices and reduce variations in performance
- Evidence-based, with recommendations that are consistent with the weight of the best available evidence identified through systematic review
- Accessible, with clear language and manageable lengths that are appropriate and relevant for the law enforcement field
- Memorable, to encourage immediate actions or aid for the complex situations law enforcement professionals face

To read an overview of the principles of community policing, please see the COPS Office publication [Community Policing Defined](#).

Project-specific goals

Applicants should explain in their proposal narrative how they will accomplish the following general categories when developing their own specific project goals, note that not all categories are relevant for all projects. Applicants should cite any relevant research or methodology as appropriate.

Develop knowledge. Please explain how you will develop new knowledge or leverage existing knowledge about community policing activities and strategies that show promise.

Increase awareness. Please explain how you will increase the number of agencies and individuals who are aware of the most effective community policing strategies.

Increase skills and abilities. Please explain how you will increase the skills and abilities of law enforcement agencies, relevant stakeholders, and individuals to engage in proven community policing practices.

Increase practice. Please explain how you will increase the number of law enforcement agencies, relevant stakeholders, and individuals using proven community policing practices.

Institutionalize practice. Please explain how you will increase the number of law enforcement agencies, relevant stakeholders, and individuals that systematically use and integrate proven community policing strategies as part of their routine business and will continue to engage in these practices for the foreseeable future.

Applicants should also consider the COPS Office performance measures when

developing their own specific project goals and activities, which can be found in the “Performance Measures” section of this application.

Federal Award Information

Depending on the quality of applications received and the availability of funding, the COPS Office may not fund every topic or subcategory or may make additional or larger awards under one or more topic area or subcategory. In addition, the COPS Office reserves the right to revise the scope of the project in your application submission and modify the associated budget proposal accordingly.

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

Length of Award

The COPS Office expects to make the project period for all cooperative agreements and grants between 12 and 24 months based on the invitation.

Type of Award

The COPS Office may make some awards from the CPD solicitation in the form of cooperative agreements, which is the funding instrument used if the COPS Office

anticipates ongoing substantial involvement in award activities. Cooperative agreement recipients will be responsible for day-to-day project management but should expect direct oversight and collaboration by the COPS Office in implementing the award. Examples of substantial federal involvement may include participating in the selection of key recipient personnel, providing feedback on deliverables before publication, approving all conference-related costs prior to obligation, and redirecting the work as appropriate.

The COPS Office may make some awards in the form of a grant, which does not provide for substantial involvement between the federal awarding agency and the nonfederal entity in carrying out the activity contemplated by the federal award. Grant recipients will be responsible for day-to-day project management and may reach out to the COPS Office with assistance in implementing the award. However, grant recipients will need to work with the COPS Office program manager in situations stated in the terms and conditions, such as scope changes, extensions, or conference request approvals.

Cost sharing or match

There is no requirement for cost sharing or a local match for these awards.

Eligibility Information

This solicitation is open to applicants that have received a direct invitation from the COPS Office to apply for the specific project or scope of work outlined in the invitation.

The remainder of the application will be completed through the JustGrants System at <https://justicegrants.usdoj.gov/>.

insufficient time for processing your application through JustGrants.

No other form of application will be accepted. Applications with errors or missing information may be disqualified or rated accordingly. Please note that the application system will not accept incomplete applications or applications with errors.

For technical assistance with submitting the SF-424, please call the Grants.gov customer service hotline at 800-518-4726, send questions via email to support@Grants.gov, or consult the [Grants.gov Organization Applicant User Guide](#). Content and Form of Application

This section describes in detail what an application must include. Failure to submit an application that contains all of the specified elements may negatively affect the review of its application; and, should a decision be made to make an award, such failure may result in the inclusion of award conditions that prevent the recipient from accessing or using award funds until the recipient satisfies the special conditions and the COPS Office makes the funds available. Applicants must comply with any word and field limit requirements described in this solicitation.

Moreover, applicants should anticipate that an application that the COPS Office determines does not address the scope of the solicitation or does not include the application elements that the COPS Office has designated to be critical will neither proceed to peer review nor receive further consideration. For this solicitation, the COPS Office has designated the following application elements as mandatory:

- Proposal Abstract (must be brief high-level project description that summarizes the proposed project in 500 words or less)
- Proposal Narrative (must be submitted as an attachment in the "Proposal Narrative" section.
- Application Questions (must respond to the application questions under the "Data

Requested with Application" section. Please be advised there is a 250-word count limit for survey responses. (Note: review panels will not read any information past the 250-word count limit. Any information provided beyond the word limit will not be counted in your application.)

- Budget Narrative (must be submitted as an attachment in the “Budget/Financial Attachments” section)
- Budget Detail Worksheets (must use the web-based forms in “Budget and Associated Documentation” section)
- Timeline of project deliverables, milestones, activities and who will complete the activities. (must be submitted as an attachment in the "Additional Application Component" section)
- Résumés/Curricula Vitae of Key Personnel (must be submitted as an attachment in the “Additional Application Component” section)
- Letters of support, if applicable (must be submitted as an attachment in the “Additional Application Component”- **Optional**)

Completing the Application for Federal Assistance (SF-424) and the Disclosure of Lobbying (SF-LLL) in Grants.gov

The SF-424 is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information under discretionary programs. Applicants must complete and submit the SF-424 via <https://www.grants.gov> using information on that site.

Intergovernmental Review

Note: Intergovernmental Review (SF-424 Question 19): This solicitation is subject to Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs. Applicants must check the Office of Management and Budget’s website for the names and addresses of Single Points of Contact (SPOC) under Intergovernmental Review: <https://www.whitehouse.gov/wp-content/uploads/2020/04/SPOC-4-13-20.pdf>. If the applicant’s state appears on the SPOC list, the applicant must contact the state SPOC to find out about, and comply with, the state’s process under E.O. 12372. In completing the SF-424, such applicant is to make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the following response: “Program is subject to E.O. 12372 but has not been selected by the state for review.”

Public reporting burden for this collection of information is estimated to average 60 minutes per response including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other

aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0043), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SUBMIT IT VIA GRANTS.GOV.

Please see the FY23 Reference Guide for Community Policing Advancement (CPA) Programs on the COPS ["How to Apply"](#) webpage for the SF-424 instructions and blank form for reference.

Disclosure of Lobbying Activities

All applicants must complete and submit the Disclosure of Lobbying Activities (SF-LLL) form in Grants.gov. Applicants that do not expend any funds for lobbying activities should enter "N/A" in the required highlighted fields. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL.

Once the SF-424 and SF-LLL has been submitted via Grants.gov, an email will be sent to the entity's E-Business Point of Contact (E-Biz POC) (also referred to as the JustGrants Entity Administrator) from DIAMD-NoReply@usdoj.gov. This email will contain registration instructions to create an account in DOJ's secure user management system—the Digital Identity and Access Management Directory (DIAMD) or instructions on how to complete the second part of the online application through the JustGrants website.

Standard Applicant Information

Applicants must complete this web-based form in JustGrants, which is prepopulated with the SF-424 data submitted in Grants.gov. Applicants are required to confirm the two Authorized Representatives, verify the legal name, address, and enter the ZIP code(s) for the areas affected by the project. For statewide or nationwide projects, the applicant should enter "State" or "National" in this field.

In order for applicant to complete this section, the two Authorized Representatives must have established accounts in JustGrants after the Grants.gov portion of the application is submitted. **Please note: Users assigned as Authorized Representatives must log in into the JustGrants system to activate their account. Users will not be visible in JustGrants until they have successfully logged into JustGrants.**

The Authorized Representatives are officials who have ultimate and final responsibility for all programmatic and financial decisions regarding this COPS Office application as representatives of your agency, as the legal recipient.

For guidance on who should be assigned as Authorized Representatives, please see below:

For law enforcement agencies, COPS Office awards require that both the top law enforcement executive (e.g., chief of police, sheriff, or equivalent) and the top government executive (e.g., mayor, board chairman, or equivalent) sign the application, and (if awarded funding) accept the award package. Both the top law enforcement executive and the top government executive must be assigned the role of Authorized Representative in Just Grants.

For non-law enforcement agencies, (institutions of higher education, school districts, private organizations, etc.), COPS Office awards require that both the programmatic official (e.g., executive director, chief executive officer, or equivalent) and financial official (e.g., chief financial officer, treasurer, or equivalent) sign the application, and (if awarded funding) accept the award package. These two officials must have the ultimate signatory authority to sign contracts on behalf of your organization. Both the programmatic official and the financial official must be assigned the role of Authorized Representative in Just Grants.

Please note that nonexecutive positions (e.g., clerks, trustees) are not acceptable Authorized Representatives.

For further assistance with accessing JustGrants, please visit the [JustGrants website](#). For further assistance with submitting an application in JustGrants, please visit the [JustGrants Training web page](#).

Proposal Abstract

Applicants are required to write and submit a proposal abstract, which should be a brief high-level project description that summarizes the proposed project in 500 words or less. Project abstracts should explain to the reader about the projects' purpose, scope, activities, and key partners, if applicable. An abstract should be coherent, concise, and able to stand alone as a summary of the project. You should write your project abstract for a general public audience without any personally identifiable or law enforcement sensitive information as this abstract, along with other federal award information, may be published on publicly available governmentwide websites.

The abstract, which is to be entered into a text box in JustGrants, will not be scored but is used throughout the review process.

Data Requested with Application

Applicants will be required to respond to a series of survey questions. Please be advised there is a 250-word count limit for survey responses. (Note: review panels will not read any information past the 250-word count limit. Any information provided beyond the word limit will not be counted in your application.) Please refer to the following steps to help guide you through initiating, completing, modifying, and obtaining the status of solicitation surveys in the JustGrants system:

- To **initiate** a survey, please click on the **survey title** to open.
- When you have **completed** the survey, please click the **“Finish”** button on the lower right corner of the screen. The system will direct you to a review screen displaying your survey responses.

Please be advised: You may notice survey responses are not displayed properly in the survey response review screen. This is a known system bug, which is being corrected. Please be assured, your data is captured and saved in the JustGrants system.

- To go back to the initial **list of surveys**, go to the **“Actions”** menu at the top right corner of the screen and select **“Close”** to exit the survey review screen. The survey you just completed will still display an **“Open”** status.
- To **confirm the completed status** of your survey, go back to the **“Actions”** menu and select **“Refresh”**. The status of your completed survey will change to **“Resolved-Completed.”**
- If you would like to **verify** the survey responses of a completed survey, you may click the **survey title** to reopen the selected survey and **view** your saved responses.
- If you would like to **change and/or update** the survey responses of a completed survey, you may click the **“Re-open”** option to **update** your saved responses.

Remember, to **confirm the status** of a completed survey, you will need to click the **“Actions”** menu and **“Refresh”**.

Proposal Narrative

Applicants are required to submit a proposal narrative. The proposal narrative must respond to the solicitation and include the section headings listed in this section as well as describe how the project will advance community policing as it pertains to the chosen subcategory. Submit this narrative as an attachment under this section.

The narrative will be a significant factor in the application review and approval process. Failure to provide this information will eliminate your application from consideration.

The final application should include the following formatting requirements for application review:

- A cover page identifying the solicitation for which the applicant is applying and the title of the application
- The proposal narrative should be no more than 20 pages long. (Note: review panels will not read any print past the 20-page mark. Any information provided in that space will not be counted in your application.)

Items counting toward the 20-page limit: Executive summaries, abstracts, timelines, graphs, and charts (regardless of pagination in front matter) will count toward overall page limit.

Items not counting toward the 20-page limit: Cover page, table of contents, and references (should be formatted as endnotes) will not count toward the overall page limit.

Appendices are strongly discouraged. Résumés, curricula vitae, letters of support from partners (if applicable), and certifications should be separate attachments and do not count towards the narrative page requirements.

- Double-spaced
- 8.5 x 11-inch pages
- One-inch margins
- Page numbers
- Type no smaller or larger than 12 point, Times New Roman font
- Headings and subheadings that correspond to the sections identified in this section of the solicitation Microsoft Word documents in .doc or .docx formats or PDF files (.pdf)

Résumés, curricula vitae, letters of support from partners (if applicable), and certifications should be separate attachments and do not count toward the overall page count. If the project narrative fails to comply with these length-related restrictions, the COPS Office may consider such noncompliance in peer review and final award decisions. The COPS Office recommends numbering the pages as follows: “1 of 20,” “2 of 20,” etc.

Please format your narrative using the following section headings:

Cover page. Each application must have a cover page that includes the title of the application and identify the solicitation for which the applicant is applying.

Problem identification and project description. Applicants must clearly identify the issue to be addressed, the gap in existing knowledge, and why this project is necessary to fulfill a specific public safety need. Applicants must clearly describe how this project is responsive to the solicitation. Explain how the initiative will help agencies reorient their mission toward community oriented policing or enhance its involvement or commitment to community policing. Applicants must provide a comprehensive, logical, and clear description of how each task will be implemented and completed. A clear description of deliverables, how deliverables respond to the solicitation, and how they will be feasibly

developed, including content, process steps, and outcomes within the project parameters. Applicant describes a level of innovation or originality of the proposed project.

Project reach and impact. Applicants must identify the approximate number of law enforcement agencies and communities that will directly benefit from the deliverables (for example, number of agencies receiving technical assistance, number of agencies and/or individuals receiving training, or number of agencies who may replicate programs). Applicants must explain why this project is necessary to address a gap in knowledge or practice. Applicants must identify any applicable governmental or community initiatives which complement or will be coordinated with the proposed initiative. Projects must not result in unnecessary duplication of other efforts by the COPS Office or other DOJ components. Applicants must identify relevant performance measures and clearly describe the approach for collecting, analyzing, and reporting performance measures. Include a description of a marketing plan for the deliverable(s) to ensure broad dissemination of the product (s) to the target audience(s), where applicable.

Management and implementation. Applicant must identify how strategy advances the goals and requirements of the solicitation. Applicant must include a project management plan that is aligned to solicitation goals and requirements. The project management plan clearly identifies projectspecific risks and proposes methods for addressing risk and details quality control measures to ensure successful completion of the project and that are clearly linked to key processes and deliverables associated with the project. Project management plan should address any applicable consultation with community groups and appropriate private and public agencies in the implementation of the proposed initiative. Applicant should provide a detailed breakdown linking of key personnel to clearly defined roles, tasks, and deliverables that are supported by feasible timelines and align with the proposed budget, as well as limit unnecessary redundancies and makes efficient use of resources. Applicant must provide a detailed timeline with a list of key deliverables, activities, and milestones to take place within the award performance period (24 months for all awards under this solicitation), grouped by month or quarter.

Experience and capacity. Please detail the capacity of the agency or organization to carry out the proposed plan in the proposed time frame of the project and explain the agency's or organization's experience with other similar efforts. This must include a discussion of key staff, what roles they will play, their education and experience in similar projects, and their understanding of community policing and related subject matter expertise. Applicant should include résumés or vitae for key staff (up to three). Identify any key partnerships or stakeholders (community groups and/or private and public agencies), who will play a role in the implementation of this project and their responsibilities.

Applicants should not expect that application reviewers will infer such expertise from résumés or curricula vitae submitted as attachments. In addition, for all proposed in-

person training, the applicant should identify the instructor(s), provide examples of the subject matter expertise and training experience of the instructor(s), and do so expressly within the project narrative. In addition, applicants should attach résumés or curricula vitae for all instructors.

The COPS Office strongly recommends that uploaded files be clearly named to indicate the applicant organization name and the file contents to ensure that reviewers can easily locate application documents. All other attachments—such as letters of support and résumés—should use descriptive file names identified on the attachment(s) such as “[Applicant]. Project Narrative.” Recommended file formats are PDF, Microsoft Word, and Microsoft Excel. The system may reject applications with other formats.

The COPS Office is providing a template for the project narrative that can be used as a voluntary tool to assist your organization in developing this required document. You will be able to access the template (Microsoft Word document) via the [How to Apply](#) page on the COPS Office website. Note that instructions in the templates are provided in italics. If you choose to use these templates, please make sure to delete the instructions before submitting so that they do not factor in your page count. If an applicant submits multiple versions of the same document, the COPS Office will review only the most recent system-validated version submitted.

Budget and Associated Documentation

Applicants must complete the web-based budget sheets in JustGrants and attach a separate budget narrative in the “Budget/Financial Attachments” section. **Please note: CPD applicants do not need to complete the "Match Amount" and "Program Income" fields within the budget summary section of the web-based budget form.**

The organization must create and attach a budget narrative that describes each item requested or group of similar items requested and links each item or group of items to the proposed project. All items will be reviewed on a case-by-case basis and in context of the allowable and unallowable costs lists. Budget narratives do not count toward the page limit of the proposal narrative.

Applicants must submit reasonable budgets based on the resources needed to implement their proposed projects. The budget should display a clear link between the specific project activities and the proposed budget items. It should not contain any items that are not detailed in the applicant's proposal narrative.

The separate budget narrative should thoroughly and clearly describe every category of expense listed in the budget detail worksheets contained in this application. The COPS Office expects proposed budgets to be complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities).

An applicant should demonstrate in its separate budget narrative how it will maximize cost effectiveness of award expenditures. Budget narratives should generally describe cost effectiveness in relation to potential alternatives and the goals of the project. For example, a budget narrative should detail why planned in-person meetings are necessary, or how technology and collaboration with outside organizations could be used to reduce costs, without compromising quality. Consideration will be given to budget proposals that maximize the direct funding that supports project activities.

The budget narrative should be mathematically sound and correspond clearly with the information provided in the budget detail worksheets. The narrative should explain how the applicant estimated and calculated all costs and how those costs are necessary to the completion of the proposed project. The narrative may include tables for clarification purposes but need not be in a spreadsheet format. The budget should describe costs by year and should cover the full project period as outlined in your direct invitation.

In some circumstances, the budget and budget narrative will be reviewed separately from the applicant's proposal narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget. The budget narrative should not be used to explain deliverables or project activities that are not included in the applicant's proposal narrative. Deliverables and activities that are solely listed in the budget narrative and not described in the applicant's proposal narrative (and vice versa) will be scored negatively during the peer review process.

Applicants should submit projects that are scalable where appropriate. Note that the COPS Office may reduce funding for selected projects based on the number of awards selected. The COPS Office may revise the proposed scope and modify the associated budget proposal accordingly.

Each requested budget item must be allowable, necessary, allocable, and reasonable to the project activities.

Pre-agreement costs are costs incurred by the applicant prior to the start date of the period of performance of the federal award. Requests for reimbursement of items purchased or expenses incurred prior to the award start date will not be funded. All such costs incurred prior to award and prior to approval of the costs are incurred at the sole risk of the applicant. **NOTE: For awards made to states or units of local government (including law enforcement agencies), requests may be made only for items or positions that are not otherwise budgeted with state, local, or Bureau of Indian Affairs (BIA) funds and would not be funded in the absence of this COPS Office award (see award condition IV, "Nonsupplanting requirement").**

For-profit organizations (as well as other recipients) must forgo any profit or management fee.

Each of the categories that follows includes definitions as well as information on frequent requests as well as typically allowable and unallowable costs. The unallowable lists are not exhaustive and are generally considered unallowable for the entire solicitation, irrespective of where the applicant adds the requested item in the budget. **The COPS Office reserves the right to deny funding for any items that may not be included in this solicitation.**

The COPS Office is providing a template for the budget narrative that can be used as a voluntary tool to assist your organization in developing this required document. You will be able to access the template (Microsoft Word document) in the FY23 Reference Guide for Community Policing Advancement (CPA) Programs located at [How to Apply](#) web page. Note that instructions in the template are provided in italics. If you choose to use this template, please make sure to delete the instructions before submitting so that they do not factor in your page count. In addition, the COPS Office is providing an example budget narrative, which can also be found in the FY23 Reference Guide for Community Policing Advancement (CPA) Programs.

The COPS Office strongly recommends that uploaded files be clearly named to indicate the applicant organization name and the file contents to ensure that reviewers can easily locate application documents. All other attachments—such as letters of support and résumés—should use descriptive file names identified on the attachment(s) such as “[Applicant]. Budget Narrative.”

Recommended file formats are PDF, Microsoft Word, and Microsoft Excel. The system may reject applications with other formats.

Budget Worksheet and Budget Narrative (Web-based Form)

Budget requests may be made in the following categories:

- Civilian personnel (base salary and fringe benefits)
- Travel
- Equipment
- Supplies
- Sub-awards
- Procurement contracts
- Other costs
- Indirect costs

Allowable Costs

All items requested will be considered on a case-by-case basis during the budget review process. Items under the program must be purchased using the guidelines established by the appropriations legislation that governs this funding. In addition, each item

requested must programmatically link to the activities described in your application. To the extent permitted by law and practicable under a federal award, recipients and subrecipients must provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. See 2 C.F.R. § 200.322.

For each request, applicants must complete the web-based budget form. The cost should be broken down to the lowest form.

The “additional narrative” section should be used to describe and justify why the item is necessary for the success of the project. Provide any additional calculations that make up the base cost.

Allowable Civilian Personnel:

For Civilian/non-sworn positions:

Salaries of personnel are costs based on the percentage of time spent (full time equivalent [FTE]) working directly on the project. The total salary percentage should be comparable and consistent with organizational policy. The total amount paid is comparable to industry standards and the type of work being performed.

A recipient may not use federal funds to pay total cash compensation to any employee of the recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the Federal Government’s Senior Executive Service (SES) at an organization with a Certified SES Performance Appraisal System for that year. The salary table for SES employees is available at the Office of Personnel Management website: <https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/2023/executive-senior-level>. Note: A recipient may compensate an employee at a greater rate, provided the amount in excess of this compensation limitation is paid with nonfederal funds. (Nonfederal funds used for any such additional compensation will not be considered matching funds.) If only a portion of an employee’s time is charged to a COPS Office award, the maximum allowable compensation is equal to the percentage of time worked times the maximum salary limitation.

For each civilian personnel request, applicants must complete the web-based form. If the individual will be working more than one year on the project, applicants will have the option to copy a year.

The “additional narrative” section should be used to describe the employee’s roles, responsibilities, and activities related to the work to be completed on the project. If the salary increases from one budget year to another because of cost of living increases, be sure to detail these increases in the budget description.

Additional documentation that may need to be uploaded in the “Budget/Financial Attachments” section includes the following:

- Job description
- Organizational pay scales or written annual salary per position
- Résumés/vitae

Completing civilian base salary

If you are not requesting any civilian base salary, move to the next section.

Allowable Fringe Benefits:

For Civilian/non-sworn positions :

Fringe benefits are allowances and services provided by the organization to its employees as compensation in addition to regular salary. Fringe benefits should be based on actual known costs or an established formula. Typical fringe benefits include the following:

- Federal Insurance Contributions Act (FICA) taxes—includes Social Security and Medicare and cannot exceed 7.65 percent (6.2 and 1.45 percent respectively)
- Health insurance—individual or family
- Life insurance
- Vacation
- Sick leave
- Retirement
- State unemployment compensation insurance
- Federal unemployment tax
- Worker’s Compensation insurance
- Other fringe benefits may include holidays, military leave, bereavement leave, sabbatical leave, severance pay, jury duty, state disability insurance, pension plan, 401(k) plan

Applicants will need to provide the appropriate percentage for each fringe benefit that the individual is allocated per the employee benefits. Note, the system will not allow more than 6.2% for Social Security and 1.45% for Medicare.

Additional documentation that may need to be uploaded in the “Budget/Financial Attachments” section includes the following:

- Written organization policies regarding fringe benefits
- Organizational fringe rate agreement

Completing fringe benefits

If you are not requesting any civilian base salary, move to the next section.

Allowable Travel:

Travel costs include the costs of transportation, lodging, meals, temporary dependent care, and incidental expenses incurred by personnel while on official business, such as attendance at an award-related meeting or conference when travel is further than 50 miles from program location. Travel and subsistence estimates are based on the contemplated number of trips, places to be visited, length of stay, transportation costs, subsistence allowances, and the recipient's own travel policies. For additional guidance, please see the Uniform Guidance 2 C.F.R. § 200.475.

When charging travel costs to federal awards, award recipients must indicate the source of travel policies applied (applicant or federal travel regulations). If a recipient does not have a written travel policy, it must adhere to the Federal Travel Regulations (FTR). For information on the FTR and U.S. Government General Service Administration (GSA) per diem rates by geographic area, please visit <https://www.gsa.gov/travel/plan-book/per-diem-rates>. For all applicants (with or without a written travel policy), airfare travel costs must be one of the following: the lowest discount commercial airfare, standard coach airfare, or the Federal Government contract airfare (if authorized and available).

Temporary dependent care costs above and beyond regular dependent care that directly results from conference travels are allowable as long as the costs incurred (1) are a direct result of the individual's travel for the federal award; (2) are consistent with the recipient's documented travel policy for all entity travel; and (3) are only temporary during the travel period.

The only individuals traveling who should be charged in this section are those listed in "Civilian personnel." All other individuals traveling for the project, including participant and consultant travel, should be listed under "Sub-awards" or "Procurement Contracts." This section should also include any training costs for the primary applicant, all other training costs should be listed under "Sub-Awards," "Procurement Contracts," or "Other Costs" as appropriate.

For each travel request, applicants must complete the web-based form. Each trip should be entered as an individual entry rather than a group of trips.

The "additional narrative" section should be used to describe the purpose of the trip, proposed destination, trip duration by day/night, and list of individuals traveling as well as a detailed cost breakdown for each travel category (lodging, per diem, etc.). The cost breakdown should include

- mode of transportation and proposed fare per trip (airfare, train, etc.) broken down by day;
- mileage allowances if private vehicle will be used;
- per diem rates for the destination per day (including full per diem and travel day per diem);
- lodging costs per night;

- transportation fees per day;
- parking fees per day.

Additional documentation that may need to be uploaded in the “Budget/Financial Attachments” section includes the following:

- Organizational travel policy

Completing Travel

If you are not requesting any travel, training, or conferences, move to the next section.

Allowable Equipment:

Necessary equipment must be specifically purchased to implement or enhance the proposed project. Equipment is tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost that equals or exceeds \$5,000. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high-cost items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in “Procurement Contracts.”

All equipment items must be clearly linked to the enhancement or implementation of the project. Examples of such items may include the following:

- Desktop computers/laptops (over \$5,000)

For each equipment request, applicants must complete the web-based form.

The “additional narrative” section should be used to describe the type of equipment with a description and justification explaining why the equipment is necessary for the success of the project. The description should provide any additional calculations that make up the base cost and the justification should explain that this equipment is not available or accessible to project personnel without specifically purchasing through this award.

Additional documentation that may need to be uploaded in the “Budget/Financial Attachments” section includes the following:

- Narrative of the procurement method
- Sole Source Justification (see the Sole Source Justification fact sheet for further guidance)

Completing Equipment

If you are not requesting any equipment move to the next section.

Allowable Supplies:

Supplies means all tangible personal property other than those items described under “Equipment.” Supplies costs consist of those incurred for purchased goods and fabricated parts directly related to an award proposal. Supplies differ from equipment in that they are consumable, expendable, and of a relatively low unit cost, defined as less than \$5,000 per unit. Such costs may include paper, printer ink, pens, pencils, laptops, etc. A computing device is a supply if the acquisition cost is less than \$5,000, regardless of the length of its useful life.

For broad category requests (such as “office supplies”), explanation for project amounts should be provided with calculations. Broad grouping of items under supplies will be limited to \$50 per month; otherwise items must be individually captured and justified in the budget request.

For any training awards, the COPS Office allows the purchase of flash drives or USB devices to distribute training materials with approval prior to purchasing.

All supply items must be clearly linked to the enhancement or implementation of the project. Examples of such items may include the following:

- Flash drives
- General office supplies (printer toner, paper, pens, binders, notepads, etc.)
- Training manuals/materials
- USB devices to distribute training materials
- Marketing materials

For each supply request, applicants must complete the web-based form. The cost should be broken down to the lowest form; therefore, if you are requesting \$30 per month for office supplies, the calculation should be 12 x \$30 and not 1 x \$360.

The “additional narrative” section should be used to describe and justify why the supplies are necessary for the success of the project. Provide any additional calculations that make up the base cost.

Completing Supplies

If you are not requesting any supplies, move to the next section.

Allowable Sub-awards:

The applicant should distinguish clearly between sub-awards and procurement contracts in allocating any funds to other entities. Pursuant to 2 C.F.R. § 200.1, a sub-award is for the purpose of carrying out a portion of the federal award, and a contract is for the purpose of purchasing goods and services needed to carry out the program or project under the federal award. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a

subrecipient or a contractor. The same allowable and unallowable costs that apply to the federal award apply to sub-awards.

Any recipient of an award will be responsible for monitoring sub-awards and contracts in accordance with all applicable statutes, regulations, and guidelines. Primary recipients will be responsible for oversight of subrecipient spending and monitoring specific performance measures and outcomes attributable to the use of COPS Office funds. The recipient will ensure that the award terms and conditions flow down to its subrecipients including all applicable uniform administrative requirements, cost principles, and audit requirements. The recipient will also ensure that subrecipients maintain effective control and accountability over all funds, property, and other assets covered by subawards and that each subrecipient establishes and uses internal fiscal and program management procedures sufficient to prevent fraud, waste, or abuse.

Completing Sub-awards

If you are not requesting any sub-award costs, move to the next section.

Allowable Procurement Contracts:

The applicant should distinguish clearly between sub-awards and procurement contracts in allocating any funds to other entities. Pursuant to 2 C.F.R. § 200.1, a sub-award is for the purpose of carrying out a portion of the federal award, and a contract is for the purpose of purchasing goods and services needed to carry out the program or project under the federal award. Contracts must directly contribute to the implementation or enhancement of the project. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The same allowable and unallowable costs that apply to the federal award apply to sub-awards. Keep in mind that the awarding and monitoring of contracts must follow documented procurement procedures, including full and open competition, pursuant to the procurement standards in 2 C.F.R. §§ 200.317– 200.327, and the issuance of sub-awards must meet the requirements of 2 C.F.R. § 200.331.

Consultant expenses include the procurement of goods or services that directly contribute to the implementation or enhancement of the project. The use of a consultant should be more economical than direct employment. Compensation for individual consultant services procured under a COPS Office award must be reasonable and allocable in accordance with Office of Management and Budget (OMB) cost principles, and consistent with that paid for similar services in the marketplace. The services should be commensurate with the rate or salary paid by the primary employer.

Unless otherwise approved by the COPS Office, independent consultant rates will be approved based on the salary a consultant receives from his or her primary employer, as applicable, up to \$650 per day (or \$81.25 per hour). Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If individuals receive

fringe benefits from their primary employer, such fringe benefit costs should not be included in the calculation of consultant rates. A consultant rate justification will need to be submitted for review and approval to the COPS Office for any consultants paid more than \$650 per day prior to incurring any costs. Determinations of approval will be made on a case-by-case basis.

Consultant travel costs follow the same guidelines as “Travel” but should be costs associated with consultant travel. These costs should not be reflected in the “Civilian personnel” or “Travel” categories.

All sole source procurements of goods and services (those not awarded competitively) in excess of the simplified acquisition threshold amount (currently \$250,000) require prior approval from the COPS Office.

All other consultant-related expenses should be included in this section such as supply and equipment requests. The same guidelines as previously stated in the above sections will apply.

For each procurement contract request, applicants must complete the web-based form.

The “additional narrative” section should be used to describe and justify the product or services to be procured by sub-award including the nature and scope of goods purchased, price proposals, and length of contract. Procurement contract travel requests should follow the same guidance as the “travel” section. Provide any additional calculations that make up the base cost.

Additional documentation that may need to be uploaded in the “Budget/Financial Attachments” section includes the following:

- Consultant Rate Justification (see the Consultant Rate Justification fact sheet for further guidance)
- Consultant résumés/vitae
- Organizational travel policy
- Sole Source Justification (see the Sole Source Justification fact sheet for further guidance)

Completing Procurement Contracts

If you are not requesting any procurement contract costs, move to the next section.

Allowable Other Costs:

Items not included in the previous categories but that have a direct correlation to the overall success of a recipient’s project objectives and are necessary for the project to reach full implementation will be considered on a case-by-case basis by the COPS Office. Requests that may fall under the “other” category include:

- Associated conferences to market program and stay up to date on best practices
- Rent (see next paragraph for more details)
- Software purchases (administrative, program, training, webinar, platform)

Rental costs are generally allowable under this solicitation when the costs are not included in indirect costs. Applicants should list square footage cost in the budget. The amount must be based on the space that will be allocated to implement the COPS Office project, not the costs of the entire rental space.

If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. Reasonable steps to provide meaningful access to services or benefits may include interpretation or translation services, where appropriate. For additional information, see the "Civil Rights".

For applicants that anticipate using COPS Office funds to cover only a portion of a particular service they provide, the budget should prorate operational costs like rent and phone service accordingly.

Completing Other Costs

If you are not requesting any other costs, move to the next section.

Indirect Costs

Overview of indirect costs

Indirect costs means those costs incurred for a common or joint purpose benefiting more than one cost objective and not readily assignable to a particular project but necessary to the operation of the organization and the performance of the project. Examples of costs usually treated as indirect include those incurred for facility operation and maintenance, depreciation, and administrative salaries.

If a cognizant federal agency has approved your negotiated indirect cost rate, the negotiated rate must be accepted by all federal awarding agencies, unless otherwise capped by federal statute or regulation.

Indirect cost rates may vary depending on your cognizant federal agency determinations. In some cases, project budgets may include more than one rate, particularly when offsite activity is conducted at a location other than the organizations premises. Note: Ensure the indirect calculation is in accordance with your organization's indirect cost rate agreement.

Expired indirect cost rate agreement

If your indirect cost rate agreement has expired, you should either renegotiate the rate or request a one-time extension from your cognizant agency. The negotiated cost rate may be extended for up to four years. Once the cognizant federal agency has approved your extension, you must abide by the rate for the agreed-upon time period. No further negotiations regarding indirect cost rates may occur until the extension has expired. At the end of the extension period, you must then negotiate a new indirect cost rate.

De minimis indirect cost rate

If you do not have a current negotiated or provisional indirect cost rate, except for those nonfederal entities described in 2 C.F.R. Part 200, Appendix VII to Part 200, paragraph D.1.b., you may elect to charge a de minimis rate of 10 percent of modified total direct costs (MTDC) which may be used indefinitely. When using this method, cost must be consistently charged as either indirect or direct costs but may not be double charged or inconsistently charged as both. Also, if this method is chosen, then it must be used consistently for all federal awards until such time as you choose to negotiate an indirect cost rate (which may be done at any time). No documentation is required to justify the 10 percent de minimis indirect cost rate. See 2 C.F.R. § 200.414(f).

If you elect to negotiate an indirect cost rate with your cognizant federal agency, a special condition will be added to the award prohibiting the obligation, expenditure, or drawdown of funds reimbursement for indirect costs until an indirect cost rate has been approved by your cognizant federal agency, and the appropriate notification has been made retiring the special condition.

For assistance with identifying the appropriate cognizant federal agency for indirect costs, please contact the OCFO Customer Service Center at 800-458-0786 or at ask.ocfo@usdoj.gov. If DOJ is the cognizant federal agency, applicants may obtain information needed to submit an indirect cost rate proposal at <https://www.ojp.gov/funding/Apply/Resources/IndirectCosts.pdf>.

Exception: If you are a unit of local government in which the Office of Management and Budget (OMB) has not assigned a cognizant federal agency, then you are not required to submit your indirect cost proposal, unless the awarding agency requires a copy of the proposal. Please see the appropriate appendix section in 2 C.F.R. Part 200 as listed above.

Approval of indirect cost rates for subrecipients

As the direct recipient, you are responsible for approving indirect cost rates for your subrecipients if funded. Such rates must be consistent with the requirements of 2 C.F.R. Part 200. The COPS Office will not approve indirect cost rates beyond the direct recipient level; however, subrecipients who are also direct recipients of federal awards may already have a federally approved indirect cost rate. If your subrecipient has negotiated an indirect cost rate with the Federal Government, then that rate applies.

The subrecipient rates should not be included in this section, but rather under the “Sub-

awards” or “Procurement Contracts” sections.

Calculating direct cost base

The following direct cost bases may be used as a distribution base:

- **Modified total direct cost (MTDC)**—This base includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards up to the first \$25,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of \$25,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency.
- **Direct salaries and wages**—This base includes only the costs of direct salaries and wages incurred by the organization.
- **Direct salaries and wages plus fringe benefits**—This base includes the costs of direct salary, wages and fringe benefits incurred by the organization.

Exclusions in direct cost bases

Applicants should pay particular attention to the two areas listed below to ensure that their indirect cost rate application is in compliance with the existing requirements of the government-wide award rules set out in the Office of Management and Budget (OMB) circular and regulations:

- **\$25,000 Subcontract/Subaward limitation.** For institutions of higher education and nonprofit organizations, indirect cost rates negotiated on the basis of modified total direct costs may only be applied against the first \$25,000 of any subcontract or subaward under the agreement. This limitation must be applied to all conference related subcontracts and subawards, including those with hotels and travel agents. (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.400 et seq.)
- **Participant support costs.** For nonprofit organizations, in accordance with 2 C. F.R. part 200, Appendix IV to 2 Part 200, paragraph B.2.c.—Indirect (F&A) Costs Identification and Assignment and Rate Determination for Nonprofit Organizations: “The distribution base may be total direct costs (excluding capital expenditures and other distorting items, such as [contracts or] subawards for \$25,000 or more), direct salaries and wages, or other base which results in an equitable distribution. The distribution base must exclude participant support costs as defined in § 200.1. Participant support costs.”

Please note that only employees of the nonprofit organization are excluded from the

definition of participant support costs. Costs related to contractors of the nonprofit organization who are acting in the capacity of a conference trainer/instructor/presenter/facilitator are considered participant support costs. For more information on allowable costs for conferences and training, please visit https://ojp.gov/financialguide/doj/pdfs/DOJ_FinancialGuide.pdf.

If you need additional information on an indirect cost rate negotiated agreement, go to the DOJ Grants Financial Guide at <https://ojp.gov/financialguide/doj/index.htm>.

The “additional narrative” section should be used to describe the breakdown of the calculation as well as provide any additional calculations that make up the base cost. Include the expiration date and the cognizant agency name.

Additional documentation that may need to be uploaded in the “Budget/Financial Attachments” section includes the following:

- Current, signed, federally approved indirect cost rate negotiated agreement
 - If your organization does not have a provisional or current indirect cost rate negotiated agreement or it is expired and under review, the applicant must submit supporting documents to show the applicant’s cognizant federal agency is reviewing the request. The COPS Office may disallow or freeze access to indirect funds until a provisional or current indirect cost rate negotiated agreement is provided.

Ensure that each type of indirect cost rate (provisional, final, predetermined, fixed, etc.) is identified. For institutions of higher education and other institutions where multiple indirect rates are applied, please enter each indirect rate as a separate line item with calculation breakdown and description for which each rate applies.

Unallowable Costs: Requests will not be funded

There are no allowable costs in this section. For allowable costs, please see the “Allowable Costs” section above. The items listed in this section are generally considered unallowable and are rarely approved by the COPS Office. Before including any of these items in your budget and application, please contact the COPS Office at 800-421-6770. This is not an exhaustive unallowable costs list, and items not listed below will be reviewed on a case-by-case basis. The COPS Office reserves the right to deny funding for items not included on this unallowable cost list. Requests for reimbursement of items purchased, expenses incurred, or individuals hired prior to the award start date will not be funded.

Unallowable Civilian personnel (base salary and fringe benefits)

Base salary

Typically, unallowable civilian personnel costs include, but are not limited to, the following

(Note: these are typically unallowable no matter which category they are placed under):

- If your organization charges an indirect cost, those costs normally include the following positions and therefore these positions should not be charged as personnel costs to avoid possible duplication:
 - Administration (e.g., director or program head)
 - Clerical (e.g., secretary or administrative assistant)
 - Accounting (e.g., controller or bookkeeper)
 - Procurement (e.g., purchasing director or stockroom clerk)
 - Housekeeping and maintenance (e.g., custodial and janitorial, repairman, or grounds keeper)

NOTE: These positions can be charged directly if the individual is working a significant amount of time on the project. This will be approved on a case-by-case basis and your narrative should significantly articulate the need to charge these directly if applicable.

- For awards made to states or units of local government (including law enforcement agencies), salaries and benefits for positions (including exempt employees) that are already budgeted with state, local, or Bureau of Indian Affairs (BIA) funds and would be funded in the absence of this COPS Office award are also not allowed.
- Salaries and benefits of personnel that do not work directly on the project.
- Salaries and benefits for contract or consultant personnel (these should be placed under "Sub-awards" or "Procurement Contracts", as applicable).

Unallowable Fringe benefits

Typically, unallowable fringe benefit costs include, but are not limited to, the following (Note: these are typically unallowable no matter which category they are placed under):

- Simulators/augmented reality programs
- Simunitions
- Surveillance equipment
- Tactical gear
- Thermal imaging devices
- Tracked (armored) vehicles
- Traffic equipment (such as cones, message boards)
- Trailers
- Unmanned aerial vehicles (drones)

- Trophies, medals, certificates, and other awards

Unallowable Sub-awards

The same unallowable costs identified across the different budget categories are also unallowable under sub-awards.

Unallowable Procurement Contracts

Non-competitive Justification

As applicable, applicants will attach the noncompetitive justification (or sole source justification). Additional guidance can be found in the [Sole Source Justification fact sheet](#)

The COPS Office strongly recommends that uploaded files be clearly named to indicate the applicant organization name and the file contents to ensure that reviewers can easily locate application documents. All other attachments—such as letters of support and résumés—should use descriptive file names identified on the attachment(s) such as “[Applicant].Sole Source.” Recommended file formats are PDF, Microsoft Word, and Microsoft Excel. The system may reject applications with other formats. **If an applicant submits multiple versions of the same document, the COPS Office will review only the most recent system-validated version submitted.**

Indirect Cost Rate Agreement (if applicable)

As applicable, applicants will attach the indirect cost rate agreement. Additional guidance can be found in the [Indirect Cost Rate Agreement fact sheet](#).

The COPS Office strongly recommends that uploaded files be clearly named to indicate the applicant organization name and the file contents to ensure that reviewers can easily locate application documents. All other attachments—such as letters of support and résumés—should use descriptive file names identified on the attachment(s) such as “[Applicant].Sole Source.”

Recommended file formats are PDF, Microsoft Word, and Microsoft Excel. The system may reject applications with other formats. **If an applicant submits multiple versions of the same document, the COPS Office will review only the most recent system-validated version submitted.**

Consultant Rate

As applicable, applicants will attach the consultant rate justification. Additional guidance can be found in the [Consultant Rate Justification fact sheet](#).

The COPS Office strongly recommends that uploaded files be clearly named to indicate the applicant organization name and the file contents to ensure that reviewers can easily locate application documents. All other attachments—such as letters of support and résumés—should use descriptive file names identified on the attachment(s) such as “[Applicant].Sole Source.” Recommended file formats are PDF, Microsoft Word, and Microsoft Excel. Budget Narrative

Applicants must attach a separate budget narrative. The organization must create and attach a budget narrative that describes each item requested or group of similar items requested and links each item or group of items to the proposed project. All items will be reviewed on a case-by-case basis and in context of the allowable and unallowable costs lists. Budget narratives do not count toward the page limit of the proposal narrative.

Applicants must submit reasonable budgets based on the resources needed to implement their proposed projects. The budget should display a clear link between the specific project activities and the proposed budget items. It should not contain any items that are not detailed in the applicant's proposal narrative.

The separate budget narrative should thoroughly and clearly describe every category of expense listed in the budget detail worksheets contained in this application. The COPS Office expects proposed budgets to be complete, cost effective, and allowable (e.g.,

reasonable, allocable, and necessary for project activities).

An applicant should demonstrate in its separate budget narrative how it will maximize cost effectiveness of award expenditures. Budget narratives should generally describe cost effectiveness in relation to potential alternatives and the goals of the project. For example, a budget narrative should detail why planned in-person meetings are necessary, or how technology and collaboration with outside organizations could be used to reduce costs, without compromising quality. Consideration will be given to budget proposals that maximize the direct funding that supports project activities.

The budget narrative should be mathematically sound and correspond clearly with the information provided in the budget detail worksheets. The narrative should explain how the applicant estimated and calculated all costs and how those costs are necessary to the completion of the proposed project. The narrative may include tables for clarification purposes but need not be in a spreadsheet format. The budget should describe costs by year and should cover the full project period as outlined in your direct invitation.

In some circumstances, the budget and budget narrative will be reviewed separately from the applicant's proposal narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget. The budget narrative should not be used to explain deliverables or project activities that are not included in the applicant's proposal narrative. Deliverables and activities that are solely listed in the budget narrative and not described in the applicant's proposal narrative (and vice versa) will be scored negatively during the peer review process.

The COPS Office strongly recommends that uploaded files be clearly named to indicate the applicant organization name and the file contents to ensure that reviewers can easily locate application documents. All other attachments—such as letters of support and résumés—should use descriptive file names identified on the attachment(s) such as “[Applicant]. Sole Source.” Recommended file formats are PDF, Microsoft Word, and Microsoft Excel. The system may reject applications with other formats. **If an applicant submits multiple versions of the same document, the COPS Office will review only the most recent system-validated version submitted.**

Memoranda of Understanding (MOUs) and Other Supportive Documents

As applicable, applicants will attach the any memoranda of understanding or partner agreements in this section.

The COPS Office strongly recommends that uploaded files be clearly named to indicate the applicant organization name and the file contents to ensure that reviewers can easily locate application documents. All other attachments—such as letters of support and résumés—should use descriptive file names identified on the attachment(s) such as “[

Applicant].MOU.” Recommended file formats are PDF, Microsoft Word, and Microsoft Excel. The system may reject applications with other formats. **If an applicant submits multiple versions of the same document, the COPS Office will review only the most recent system-validated version submitted.**

- Curriculum Vitae or résumés (up to three key project staff detailing work and educational history and highlighting any experience that is relevant to their ability to successfully carry out the proposed project)
- Timeline of project deliverables, milestones, activities and who will complete the activities
- Letters of Support

How to Apply

Federal regulations require that an applicant for federal funding: (1) be registered in SAM before submitting its application; (2) provide a valid unique entity identifier in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application or plan under consideration by a federal awarding agency. The COPS Office may not make an award to an applicant until the applicant has complied with all applicable unique entity identifier and SAM requirements and, if an applicant has not fully complied with these requirements by the time the COPS Office is ready to make an award, then the COPS office may determine that the applicant is not qualified to receive an award. See 2 C.F.R. §§ 25.200, 25.205 and the Award Terms and Conditions for further information.

Please follow the steps listed below to ensure your application is submitted by the deadline for this solicitation. Applicants should register online with SAM and with Grants.gov well in advance of the JustGrants deadline.

- **Step 1: Register with SAM database/Confirm Unique Entity Identifier (UEI) Number**

The Unique Entity ID issued by SAM is a 12-character alphanumeric value and once issued will not change. Entities that are currently registered in SAM.gov already have a Unique Entity ID (SAM) which can be viewed in SAM.gov. The transition to UEI (SAM) will not impact an entity's registration expiration date or when renewal is necessary.

System of Award Management (SAM) registration and renewal can take as long as 10 business days to complete .

If you do not have an Employer Identification Number (EIN), the process can take up to 5 weeks to obtain an EIN from the Internal Revenue Service. There is no fee associated with these processes. These processes cannot be expedited.

SAM registration procedures can be accessed at www.sam.gov.

The person registering with SAM will be the designated SAM E-Business Point of Contact, who can assign the people who submit applications for the organization (your Authorized Organization Representatives). In addition, you must review your SAM registration once a year.

- **Step 2: Acquire an Authorized Organization Representative (AOR) and a Grants.gov username and password.**

Complete the AOR profile on Grants.gov and create a username and password. An applicant entity's "unique entity identifier" must be used to complete this step. For more information about the registration process for

organizations and other entities, visit the [Grants.gov registration page](#). Individuals registering with Grants.gov may visit the [Applicant Registration page](#).

Step 2: Register with SAM database/Confirm SAM number

System of Award Management (SAM) registration and renewal can take as long as 10 business days to complete.

If you do not have an Employer Identification Number (EIN), the process can take up to 5 weeks.

SAM registration procedures can be accessed at [www.sam.gov](#). The person registering with SAM will be the designated SAM E-Business Point of Contact, who can assign the people who submit applications for the organization (your Authorized Organization Representatives). You must have a DUNS number to submit a SAM registration. In addition, you must review your SAM registration once a year.

- **Step 3: Acquire confirmation for the AOR from the E-Business Point of Contact (E-Biz POC).**

The SAM E-Biz POC at the applicant organization must log into Grants.gov to confirm the applicant organization's AOR. The E-Biz POC will need the Marketing Partner Identification Number (MPIN) password obtained when registering with SAM to complete this step. Note that an organization can have more than one AOR.

- **Step 4: Search for the funding opportunity on Grants.gov.**

Search using the Assistance Listing title and the funding opportunity number from the solicitation.

- **Step 5: Access Funding Opportunity and Application Package from Grants.gov.**

Select "Apply for Grants" under the "Applicants" column. Enter your email address to be notified of any changes to the opportunity package before the closing date. Click the Workspace icon to use Grants.gov Workspace.

- **Step 6: Complete and Submit the SF-424 and SF-LLL via Grants.gov.**

Within 48 hours after submitting the SF-424 and SF-LLL, the applicant should receive two notifications from Grants.gov. The first will confirm the receipt of the SF-424 and SF-LLL. The second will state whether the SF-424 and SF-

LLL has been validated and successfully submitted, or whether it has been rejected due to errors, with an explanation. It is possible to first receive a message indicating that the application is received, and then receive a rejection notice a few minutes or hours later. Submitting the SF-424 and the SF-LLL well ahead of the Grants.gov deadline provides time to correct the problem(s) that caused the rejection.

Important: DOJ urges each applicant to submit the SF-424 and the SF-LLL at least 72 hours prior to the Grants.gov due date, to allow time to receive validation messages or rejection notifications from Grants.gov, and to correct in a timely fashion any problems that may have caused a rejection notification. Verify the application deadline (date and time) in the solicitation.

- **Step 7: Register the Entity Administrator (E-Biz POC) and the Application Submitter with DOJ’s Justice Grants System (JustGrants).**

New Entity without a JustGrants Account

Within 24 hours of JustGrants receiving an application from Grants.gov, the user submitting the application in Grants.gov and SAM E-Biz POC will receive an email to register for a JustGrants account. The email is from DOJ’s secure user management system (DIAMD) and will include instructions on how to create an account.

To ensure that you receive these emails and that they are not flagged as spam, we recommend adding “DIAMD-NoReply@usdoj.gov” to the trusted sender list in your email settings.

The E-Biz POC at the applicant organization serves as the Entity Administrator and must log-in to JustGrants to confirm the entity’s profile, add users, and assign the two required Authorized Representatives (Law Enforcement Executive/Program Official and Government Executive/Financial Official). The Authorized Representatives are officials who have ultimate and final responsibility for all programmatic and financial decisions for your agency, as the legal recipient. For guidance on who should be assigned as Authorized Representatives, please see below:

For law enforcement agencies, COPS Office awards require that both the top law enforcement executive (e.g., chief of police, sheriff, or equivalent) and the top government executive (e.g., mayor, board chairman, or equivalent) sign the application, and (if awarded funding) accept the award package. Both the top law enforcement executive and the top government executive must be assigned the role of Authorized Representative in Just Grants.

For non-law enforcement agencies (institutions of higher education, school

districts, private organizations, etc.), COPS Office awards require that both the programmatic official (e.g., executive director, chief executive officer, or equivalent) and financial official (e.g., chief financial officer, treasurer, or equivalent) sign the application, and (if awarded funding) accept the award package. These two officials must have the ultimate signatory authority to sign contracts on behalf of your organization. Both the programmatic official and the financial official must be assigned the role of Authorized Representative in Just Grants.

Please note that nonexecutive positions (e.g., clerks, trustees) are not acceptable Authorized Representatives.

The user who submitted the application in Grants.gov serves as the Application Submitter. Within minutes of completing your JustGrants account registration, the Application Submitter and the E-Biz POC (Entity Administrator) users will receive an email from JustGrants with a link to the application started in Grants.gov.

Application Submitters and E-Biz POC Users with a JustGrants Account

- **Step 8: Review and Invite the Two Required Authorized Representatives in JustGrants**

The Entity Administrator will need to log-in to JustGrants to review and assign the required two Authorized Representatives (Law Enforcement Executive/ Program Official and Government Executive/Financial Official). The Authorized Representatives are officials who have ultimate and final responsibility for all programmatic and financial decisions for your agency, as the legal recipient. For guidance on who should be assigned as Authorized Representatives, please see guidance above:

If an Authorized Representative needs to be invited, the Entity Administrator will need to invite the individual to receive a JustGrants account. These actions are required before an application can be submitted.

Within minutes of being invited to be an Authorized Representative, the individual will receive an email from DIAMD-NoReply@usdoj.gov with instructions on how to create an account in DOJ's secure user management system.

Once the Authorized Representatives receives the email and completes the steps to create an account, the Authorized Representative will be available in JustGrants.

Review the "[JustGrants User Roles Guide](#)" to become familiar with the

various JustGrants Entity User roles.

- **Step 9: Complete and Submit the JustGrants Application**

The Application Submitter will complete the application by entering data into web-based forms, uploading attachments, and accepting assurances and certifications. Before you submit your application, each section must be completed and free of validation errors. If not, please return to each identified page using the table of contents on the right side of the page. If any required fields are unanswered, they will be flagged with warning messages. In this case, answer these required fields. You will not be able to submit your application until all validation issues are corrected and the application is certified.

The Application Submitter will also need to confirm the required two Authorized Representatives (Law Enforcement Executive/Program Official and Government Executive/Financial Official).

The Application Submitter will need to select two authorized representatives via dropdown field in the “Confirm Authorized Representative” section of the application. The dropdown will display all authorized representatives that have been assigned for your entity (the [Application Submission Job Aid Reference Guide](#) for this step).

If you do not see authorized representatives for your entity in the dropdown field within the “Confirm Authorized Representative” section of the application, you will need to add and assign the role for each authorized representative for your entity. Please note: the COPS Office requires two authorized representatives (Law Enforcement Executive and Government Executive) for its grant applications. Users will not be visible in JustGrants until they have successfully logged into JustGrants. If you need assistance adding users and assigning roles for your entity, please refer to the [Entity Management Job Aid Reference Guide](#).

Once all sections are completed, the application submitter will submit the application. Upon successful submission of an application, the Application Submitter, Entity Administrator, and the two Authorized Representatives will receive an email from JustGrants confirming submission of the application. The COPS Office will not accept applications submitted via mail or email.

- **Step 10: Confirm Receipt of JustGrants Application**

The Application Submitter should closely monitor their email and JustGrants accounts for any notifications from Grants.gov or JustGrants about a possible failed submission. The user who is authorized to submit applications on

behalf of the organization is the one who will receive these notifications. The COPS Office does not send out these notifications, nor does the COPS Office receive a copy of these notifications. It is the applicant's responsibility to notify the COPS Office of any problems with the application submission process. Submitting the application components **at least 48 hours prior to the solicitation deadline** will enable the applicant to receive notice of a failed submission and provide an opportunity to correct the error before the applicable deadline.

Submission Dates and Time

All completed applications must be submitted by the deadline.

Late Submissions

The COPS Office will review on a case-by-case basis requests for late submission due to unforeseen technical issues or extraordinary events such as extreme weather emergencies or mass casualty events.

Requests for an extension of the Grants.gov deadline must be received prior to the close of the solicitation in Grants.gov. Requests for an extension of the JustGrants deadline must be made prior to the close of the solicitation in JustGrants. No late submission requests will be considered once the solicitation closes. Extension of deadlines is rare and is not guaranteed.

To be considered for an extension, applicants must contact the COPS Office Response Center via email at AskCopsRC@usdoj.gov detailing the technical/extraordinary issues that impact application submission. This must be submitted prior to the deadline for which the applicant is requesting an extension. The applicant's email must include the following information: UEI number, Organization name, Point of contact name and information, Application ID, and the nature of the issue/disaster and how it affected the applicant's ability to submit an application on time. The email subject line should read "FY23 CPD Program Extraordinary Circumstances: UEI number, Agency Name, Application ID"; with your UEI number and organization name included in the subject line.

The COPS Office will respond to each applicant as soon as possible with an approval and instructions for submission, or a rejection. If the technical issues you reported cannot be validated, the application will be rejected.

The following conditions are not valid reasons to request an extension: (1) failure to begin the registration process in sufficient time; (2) failure to follow instructions on Grants.gov or JustGrants; (3) failure of the two assigned authorized representatives, with

the proper authority, to activate accounts in JustGrants prior to application submission; (4) failure to follow all of the instructions in the solicitation; (5) failure to register or update information on the SAM website; and (6) failure to register or complete the SF-424 and SF-LLL in grants.gov.

Application Review Information

Review Process

This topic area is invitation-only. The COPS Office reviews invitational applications for the same elements as the requirements outlined for the competitive applications to make sure that the information presented is reasonable, understandable, measurable, and achievable, as well as consistent with the invitation to apply and any associated program (s) requirements. This review process may also include the following:

- Financial stability and fiscal integrity
- Quality of management systems and ability to meet the management standards prescribed in the DOJ
- Grants Financial Guide
- History of performance
- Reports and findings from audits
- The applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on nonfederal entities
- Proposed costs to determine if the budget detail worksheet and budget narrative accurately explain project costs and whether those costs are reasonable, necessary, and allowable under applicable federal cost principles and agency regulations

All final award decisions will be made by the Director of the COPS Office.

Administrative compliance review

All advancing applications will undergo an administrative compliance review. Past financial and programmatic performance with DOJ award funding will be considered in this review process. Past performance may affect the overall rating and ranking of an application. Factors that may be included in the past performance review are:

- the extent to which the applicant has adhered to all special conditions in the prior awards,
- the extent to which the applicant has complied with programmatic and financial reporting requirements,
- the extent to which the applicant has completed closeout of prior awards in a timely manner,
- whether the applicant has received financial clearances in a timely manner,

- whether the applicant has resolved any issues identified in an audit or on-site monitoring visit in a timely manner,
- whether the applicant has adhered to single audit requirements, and
- the extent to which the applicant has completed work and spent prior award funds in a timely manner.

Pursuant to 2 C.F.R. Part 200 (“Uniform Guidance”), before award decisions are made, the COPS Office also reviews information related to the degree of risk posed by applicants. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, the COPS Office checks whether the applicant is listed in SAM as excluded from receiving a federal award. The COPS Office also must review and consider any information about the applicant that appears in the nonpublic segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, “FAPIIS”). Applicants may review and comment on any information about them in SAM that a federal awarding agency previously entered in the designated integrity and performance system, and such applicant comments will also be reviewed and considered.

The COPS Office may contact applicants regarding budget and financial questions as part of the review process. This outreach is not an indication of funds or awarding decisions.

Senior Leadership Review

The Senior Leadership Review is conducted by senior-ranking federal employees. During this process all advancing applications are evaluated based on administrative compliance review, past performance, project scope, and budget.

Senior Leadership will submit formal recommendations for funding to the COPS Office Director.

Director’s selection

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Director of the COPS Office, who may also give consideration to factors including prior funding history, current award balances, underserved populations, population served, geographic diversity, strategic priorities, past performance, significant concerns regarding ability of the applicant to administer federal funds, and available funding when making awards.

Federal Award Administration Information

Award decisions

It is anticipated that awards will be announced on or after October 1, 2023. Award notification will be sent electronically. Any public announcements will be posted on the [COPS Office website](#).

All award decisions are final and not subject to appeal.

To officially accept and begin your award, your organization must access your award package at <https://justgrants.usdoj.gov/>. Once you access your account, you will review and electronically sign the award document (including award terms and conditions) and, if applicable, the special award conditions or high risk conditions within 45 days of the date shown on the award congratulatory letter, unless an extension is requested and granted. The two assigned Authorized Representatives described above (Law Enforcement Executive/Program Official and Government Executive/Financial Official) are required to sign the award package. If the Authorized Representative(s) changes between the time of application submission and award receipt, the Entity Administrator will need to update the Authorized Representative(s) in JustGrants. Your organization will not be able to draw down award funds until the COPS Office receives your signed award document. For more information on accepting your award, please visit the [JustGrants Training page](#) for step-by-step instructions.

For technical support with JustGrants, please call JustGrants Support at **JustGrants.Support@usdoj.gov**, or 833-872-5175. For programmatic assistance, please contact the COPS Office Response Center at **AskCopsRC@usdoj.gov** or 800-421-6770.

The award package

The award package is the document indicating your official award funding amount, the award number, the award terms and conditions, and award start and end dates.

The award start date indicated on the award package means that your organization may be reimbursed for any allowable costs incurred on or after this date. The duration of award is between 12 and 24 months based on the invitation.

Your FY 2023 award number is in the following format: 15JCOPS-23-XX-XXXXX-XXXX. The COPS Office tracks award information based upon this number. Therefore, it is important to have your organization's award number (or your organization's UEI number) readily available when corresponding with the COPS Office.

The award terms and conditions are listed in the award package. In limited circumstances, your award package may include additional special conditions or high-risk conditions that prevent your organization from drawing down or accessing award

funds until the special conditions or high-risk conditions are satisfied as determined by the COPS Office.

By accepting the award, you are acknowledging that you are obtaining federal funds from the COPS Office. As part of that agreement, if awarded funds, your organization will acknowledge that it will comply with all applicable award terms and conditions including any special or high-risk conditions.

Administrative and national policy requirements

If selected for funding, in addition to implementing the funded project consistent with the approved project proposal and budget, the recipient must comply with award terms and conditions, and other legal requirements including, but not limited to, OMB, DOJ, or other federal regulations that will be included in the award or incorporated into the award by reference or are otherwise applicable to the award.

Please see general terms and conditions in the FY23 Reference Guide for Community Policing Advancement (CPA) Programs, which is located on the COPS Office "[How to Apply](#)" web page.

Administrative actions and legal remedies related to federal awards

Please be advised that an application may not be funded or, if awarded, a hold may be placed on this application if it is deemed that the applicant is not in compliance with federal civil rights laws, is not cooperating with an ongoing federal civil rights investigation, or is not cooperating with a U.S. Department of Justice award review or audit.

Misuse of COPS Office funds or failure to comply with all COPS Office award requirements may result in legal sanctions including suspension and termination of award funds, the repayment of expended funds, ineligibility to receive additional COPS Office funding, and other remedies available by law.

Under the False Claims Act, any credible evidence that a person has submitted a false claim or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving COPS Office funds may be referred to the Office of Inspector General (OIG). The OIG may be contacted at oig.hotline@usdoj.gov, <https://oig.justice.gov/hotline/index.htm>, or 800-869-4499.

Remedies for noncompliance

Under 2 C.F.R. § 200.339, if the recipient fails to comply with award terms and conditions, the Federal awarding agency may impose additional conditions or take one or more of the following actions as appropriate in the circumstances:

- Temporarily withhold cash payments pending correction of the deficiency by the non-Federal entity or more severe enforcement action by the Federal awarding agency or pass-through entity.
- Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
- Wholly or partly suspend or terminate the Federal award.
- Initiate suspension or debarment proceedings as authorized under 2 CFR part 180 and Federal awarding agency regulations (or in the case of a pass-through entity, recommend such a proceeding be initiated by a Federal awarding agency).
- Withhold further Federal awards for the project or program.
- Take other remedies that may be legally available.

Prior to imposing sanctions, the COPS Office will provide reasonable notice to the recipient of its intent to impose sanctions and will attempt to resolve the problem informally. Appeal procedures will follow those in the U.S. Department of Justice regulations in 28 C.F.R. Part 18.

Awards terminated due to noncompliance with the federal statutes, regulations, or award terms and conditions will be reported to the integrity and performance system accessible

through SAM (currently FAPIIS).

False statements or claims made in connection with COPS Office awards may result in fines, imprisonment, debarment from participating in federal awards or contracts, and any other remedy available by law.

Please be advised that recipients may not use COPS Office funding for the same item or service also funded by another U.S. Department of Justice award.

Freedom of Information Act and Privacy Act (5 U.S.C. § 552 and 5 U.S.C. § 552a)

All applications submitted to the COPS Office (including all attachments to applications) are subject to the federal Freedom of Information Act (FOIA) and to the Privacy Act. By law, DOJ may withhold information that is responsive to a request if DOJ determines that the responsive information is protected from disclosure under the Privacy Act or falls within the scope of one or more of the nine statutory exemptions under FOIA. DOJ cannot agree in advance of a request pursuant to the FOIA not to release some or all portions of an application/award file.

In its review of records that are responsive to a FOIA request, the COPS Office will withhold information in those records that plainly falls within the scope of the Privacy Act or one of the statutory exemptions under FOIA. (Some examples include certain types of information in budgets and names and contact information for project staff other than certain key personnel.) In appropriate circumstances, the COPS Office will request the

views of the applicant/recipient that submitted a responsive document.

COPS Other Information

Reporting, Monitoring, and Evaluation Requirements

Reporting

If awarded, your organization will be required to submit quarterly Federal Financial Reports as well as semiannual Programmatic Performance Reports. Recipient should be prepared to track and report program award funding separately from other funding sources (including other COPS Office federal awards) to ensure accurate financial and programmatic reporting on a timely basis. Recipients should ensure that they have financial internal controls in place to monitor the use of program funding and ensure that its use is consistent with the award terms and conditions. Good stewardship in this area includes written accounting practices, and use of an accounting system that tracks all award drawdowns and expenditures, and the ability to track when award-funded positions are filled or approved purchases are made. Failure to submit complete reports or submit them in a timely manner may result in the suspension and possible termination of a recipient’s COPS Office award funding or other remedial actions.

Monitoring

Federal law requires that agencies receiving federal funding from the COPS Office be monitored to ensure compliance with their award conditions and other applicable statutory regulations. The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice.

Awarded organizations will be responsible for submitting Programmatic Performance Reports on a semiannual basis and Federal Financial Reports on a quarterly basis. In

addition, awarded organizations will be responsible for the timely submission of a final Closeout Report and any other required final reports. All COPS Office recipients will be required to participate in such award monitoring activities of the U.S. Department of Justice, including but not limited to the COPS Office, the Office of the Inspector General, or any entity designated by the COPS Office.

Please note that the COPS Office may take a number of monitoring approaches, such as site visits, enhanced office-based award reviews, alleged noncompliance reviews, and periodic surveys to gather information and to ensure compliance. The COPS Office may seek information including, but not limited to, your organization's compliance with nonsupplanting and both programmatic and financial requirements of the award, and your organization's progress toward achieving your community policing strategy. Program and monitoring specialists as well as auditors are particularly interested in confirming that the purchase of items and/or services is consistent with the applicant's approved award budget as reflected on the Financial Clearance Memorandum and Final Funding Memorandum.

If awarded funds, you agree to cooperate with and respond to any requests for information pertaining to your award in preparation for any of the above-referenced award monitoring activities.

Please feel free to contact your COPS Office Program Manager to discuss any questions or concerns you may have regarding the monitoring, reporting, and evaluation requirements.

Program evaluation

Though a formal assessment is not a requirement, awarded organizations are strongly encouraged to conduct an independent assessment of their respective award-funded projects. Project evaluations have proven to be valuable tools in helping organizations identify areas in need of improvement, providing data of successful processes, and reducing vulnerabilities.

Selected award recipients shall be evaluated on the local level or as part of a national evaluation, pursuant to guidelines established by the Attorney General. Such evaluations may include assessments of individual program implementations. In selected jurisdictions that are able to support outcome evaluations, the effectiveness of funded programs, projects, and activities may be required. Outcome measures may include crime and victimization indicators, quality of life measures, community perceptions, and police perceptions of their own work.

Financial Management and System of Internal Controls

Award recipients and subrecipients must, as set out in the Uniform Guidance at 2 C.F.R. § 200.303, do the following:

- Establish and maintain effective internal control over the federal award that provides reasonable assurance that [the recipient (and any subrecipient)] is managing the federal award in compliance with federal statutes, regulations, and the terms and conditions of the federal award. These internal controls should be in compliance with guidance in “Standards for Internal Control in the Federal Government” issued by the Comptroller General of the United States and the “Internal Control Integrated Framework” issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
- Comply with federal statutes, regulations, and the terms and conditions of the federal awards.
- Evaluate and monitor [the recipient’s (and any subrecipient’s)] compliance with statutes, regulations, and the terms and conditions of federal awards.
- Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.
- Take reasonable measures to safeguard protected personally identifiable information and other information the federal awarding agency designates as sensitive or [the recipient (and any subrecipient)] considers sensitive consistent with applicable federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

Audit Requirement

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 C.F.R. Part 200, Subpart F – Audit Requirements, available at https://www.ecfr.gov/cgi-bin/text_idx?tpl=/ecfr.brose/Title02/2cfr200_main_02.tpl, establish the requirements for organizational audits that apply to COPS Office award recipients. Recipients must arrange for the required organization-wide (not award-by-award) audit in accordance with the requirements of Subpart F.

Civil rights

All recipients are required to comply with nondiscrimination requirements contained in various federal laws. A memorandum addressing federal civil rights statutes and regulations from the Office for Civil Rights, Office of Justice Programs will be included in the award package for award recipients. All applicants should consult the Assurances form to understand the applicable legal and administrative requirements.

Please be advised that a hold may be placed on this application if it is deemed that the applicant organization is not in compliance with federal civil rights law or is not cooperating with an ongoing federal civil rights investigation.

Equal Treatment of Faith-based Organizations and Safeguarding Constitutional Protections Related to Religion

For guidance on the protections provided in law for faith-based or religious organizations, please see the Office for Civil Rights website at <https://www.ojp.gov/program/civil-rights/partnerships-faith-based-and-other-neighborhood-organizations>.

In addition, all recipients and subrecipients (at any tier) must comply with the applicable requirements of the DOJ regulation entitled “Partnerships with Faith-Based and Other Neighborhood Organizations” at 28 C.F.R. Part 38, which, among other things, prohibits using DOJ financial assistance to fund explicitly religious activities and also prohibits discrimination in the provision of DOJ-funded services on the basis of a beneficiary’s religion, religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice. For more detailed information about the regulation, please see the Office of Civil Right website at <https://www.ojp.gov/program/civil-rights/partnerships-faith-based-and-other-neighborhood-organizations>.

Performance Measures

To assist in fulfilling the U.S. Department of Justice's responsibilities under the Government Performance and Results Act Modernization Act (GPRA Modernization Act) of 2010, P.L. 111–352), recipients who receive funding from the Federal Government must measure the results of work that funding supports. This act specifically requires the COPS Office and other federal agencies to set program goals, measure performance against those goals, and publicly report progress in the form of funding spent, resources used, activities performed, services delivered, and results achieved.

Performance measures are as shown in table 2.

Table 2. Performance measures

Objective	Performance measures	Data recipient provides
Increase the capacity of law enforcement agencies to implement community policing strategies that strengthen partnerships for safer communities and enhance law enforcement’s capacity to prevent, solve, and control crime through funding for personnel, technology, equipment, and training.	<p>Extent to which COPS Office award funding (e.g., officers, equipment, training, technical assistance) has increased your agency’s community policing capacity?</p> <p>Extent to which COPS Office knowledge resources (e.g., publications, podcasts, training) have increased your agency’s community policing capacity?</p>	Recipients will rate the effectiveness of the COPS Office funding in increasing community policing capacity. Data is collected on a periodic basis through performance reports.

COPS Office awards target increasing recipient capacity to implement community policing strategies within the three primary elements of community policing: (1) problem solving; (2) partnerships; and (3) organizational transformation. The COPS Office requires all applicants to describe how the personnel, technology, equipment, supplies, travel, or training requested will assist the applicant in implementing community policing strategies.

To read an overview of the principles of community policing, please see the COPS Office publication [Community Policing Defined](#).

As part of the programmatic performance reports, all recipients will be required to report on their progress toward implementing community policing strategies. Based on the data collected from recipients, the COPS Office may make improvements to the program to better meet the program’s objective and law enforcement agency needs.

Applicants are required to disclose whether they have pending applications for federally funded assistance or active federal awards that support the same or similar activities or services for which funding is being requested under this application.

Be advised that as a general rule, COPS Office funding may not be used for the same item or service funded through another funding source. However, leveraging multiple

funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate. To aid the COPS Office in the prevention of awarding potentially duplicative funding, please indicate whether your agency has a pending application or an active award with any other federal funding source (e.g., direct federal funding or indirect federal funding through state sub-awarded federal funds) which supports the same or similar activities or services as being proposed in this COPS Office application.

Do you have any current, active non-COPS Office award with any other federal funding source (e.g., direct federal funding or indirect federal funding through state subawarded federal funds) that supports the same or similar activities or services as being proposed in this COPS Office application?
