

## ANNEX G: FORM FOR ASHA-CLEARED ARCHITECTURE & ENGINEERING SERVICE PROVIDER CERTIFICATION

The following certification form is required for any awards with capital improvement activities (e.g., any other tasks related to construction or renovation). The certification form should be completed by the ASHA-cleared architecture and engineering (A&E) service provider after the IP and A&E service provider complete the CRM screening. The [ASHA-Cleared A&E Services Provider certification form](#) (available online, as well) must be submitted along with the Supplemental IEE and EMMP. The A&E Service Provider must complete and sign this certification form before the Bureau Environmental Officer (BEO) and Climate Integration Lead (CIL) can provide final approval.
