

AEIF Brazil 2026 - Pre-application

2026 Alumni

Engagement Innovation Fund Proposal Form

AEIF provides alumni of U.S. government-sponsored exchange programs with funding to expand on the skills gained during their exchange experiences and design and implement innovative solutions to address global challenges within their communities.

Mission Brazil staff will review this pre-application as part of a competitive process. You will be notified if your pre-application was approved or not, and if approved, a more detailed and robust proposal will be requested (as detailed in the Notification of Funding Opportunity).

To be completed by exchange alumni team leaders. All sections in this form must be completed in order for the proposal to be eligible for submission.

PROJECT DESCRIPTION

56. Project Summary *

The project summary should SUCCINCTLY describe the specific need and/or challenge that your project will address and how you will address it. Think about who your target audience is, when and where your project will take place, what activities you will include and why, and what change in attitudes you set out to see. Recall that all AEIF projects must celebrate and promote the 250th anniversary of the founding of the United States of America in some capacity.

57. Project Goal/s (1-2 sentences): *

What is the aim of your project? State in one or two sentences the overall goal/s of your project and what outcome or change you expect to see.

58. Project Objectives (3-5 objectives) *

List your project objectives which will support your project goal/s. Remember to create project objectives which are SMART (Specific, Measurable, Achievable, Realistic and Time Bound).
