

## **Attachment C – NGWMN Proposal Checklist**

The attached NGWMN Proposal Checklist must be included with the submitted application. The checklist should be completed by the Principal Investigator listed in the Proposal Information Summary. The completed checklist should be included in the Proposal PDF as section 'I'.

Light gray boxes in the checklist indicate items that must be marked. Appropriate responses for light gray boxes are 'Y' or 'NA'

The Overall proposal column indicates items that must be completed (items in light gray) for all proposals. The objectives columns indicate which items need to be completed (items in light gray) for each objective included in the proposal.
