A. Program Description

1. Purpose

The National Endowment for the Humanities (NEH) is a federal agency in the executive branch. NEH makes General Operating Support grants to state and jurisdictional humanities councils in line with its authorizing statute.

State and jurisdictional humanities councils tailor their grantmaking and programs to the needs, resources, and interests of their state or jurisdiction, while also extending the reach of NEH-funded projects and further strengthening the agency's connection to local communities.

Program outputs and outcomes

The outputs of a successful General Operating Support grant will be programs and grants designed to support the humanities at the state and local levels. The outcome of a successful award will be to advance knowledge and understanding of the humanities and to increase public awareness of, access to, and support for the humanities at the state and local levels.

You must describe your outputs and how they would support the project outcomes in the application [Attachment 1: Annual plan](#). If you receive an award, NEH will assess your performance by comparing the outputs proposed in the application against those reported in your performance reports. See [H. Annual and Final Reporting](#).

2. Funding Restrictions

You may not use funds made under this notice for the following purposes:

Restricted activities:

- subawards funded in whole or in part with federal funds to organizations that have not obtained and provided the council with a Unique Entity Identifier (See [Subrecipient eligibility](#))
- overlapping project costs with any other pending or approved application(s) for federal funding
- promotion of a particular political, religious, or ideological point of view
- promotion of gender ideology
- promotion of discriminatory equity ideology
- support for diversity, equity, and inclusion (DEI) or diversity, equity, inclusion, and accessibility (DEIA) initiatives or activities
- environmental justice initiatives or activities
- advocacy of a particular program of social or political action
- support of specific public policies or legislation
- lobbying

Programmatic exclusions:

- purchase of land or facilities, construction, and renovation
- projects that fall outside of the humanities
- the creation or performance of art
- creative writing, autobiographies, memoirs, and creative nonfiction

- policy studies
- social science research that does not address humanistic questions and/or utilize humanistic methods

Unallowable costs:

- costs for activities performed by federal entities or personnel
- fiscal agent and fiscal sponsor fees
- fiscal agent activities alone without substantive involvement (e.g., proposal submissions, reporting, financial oversight, maintaining IRS status)

See [2 CFR 200 Subpart E - Cost Principles](#) for other unallowable costs.

If your application includes unallowable costs or activities, NEH will deem it to be nonresponsive and reject it.

3. Background

NEH offers this funding opportunity under the authority of [20 U.S.C. § 956](#). Awards are subject to [2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards](#), and the [General Terms and Conditions for General Operating Support Grants to State and Jurisdictional Humanities Councils](#).

Under [Section 3\(a\) of the National Foundation on the Arts and the Humanities Act of 1965](#), as amended, “The term ‘humanities’ includes, but is not limited to, the study of the following: language, both modern and classical; linguistics; literature; history; jurisprudence; philosophy; archaeology; comparative religion; ethics; the history, criticism and theory of the arts; those aspects of the social sciences which have humanistic content and employ humanistic methods; and the study and application of the humanities to the human environment with particular attention to reflecting our diverse heritage, traditions, and history and to the relevance of the humanities to the current conditions of national life.”

Use the [Funded Projects Query Form](#) to find examples of NEH-supported projects.

B. Federal Award Information

1. Type of Application and Award

NEH seeks new and supplemental applications in response to this notice.

NEH will provide funding in the form of grants.

2. Summary of Funding

Award Amounts

Award amounts are dependent on Congressional appropriations and in line with NEH's statutory funding formula.

NEH will not determine the funding available each fiscal year until Congress enacts the agency's final budget. Accordingly, this notice is issued subject to the availability of appropriated funds, and it does not obligate NEH to make any awards.

Period of Performance

State and Jurisdictional Humanities Councils General Operating Support Grants have a period of performance of five years. The period of performance is the span of time during which you may incur expenses to carry out the work under the award.

The program supports activities in years one, two, and three, and closeout requirements in years four and five. State and jurisdictional humanities councils must apply annually to receive this funding.

Projects must start between November 1, 2026, and May 1, 2027.

NEH expects state and jurisdictional humanities councils to obligate most of the funds awarded each year by the end of the annual funding period. You will apply for a new award with a five-year period of performance in year three of your current award.

Councils are expected to engage in ongoing fundraising efforts throughout the fiscal year to meet their statutory matching GOS Grant cost share requirements and ensure the effective management of their NEH award. (see the [Matching Guidelines for General Support Grants to State Humanities Councils](#)). Funds raised to satisfy a match count toward an institution's required cost share for a project (see [Cost Sharing](#)).

Funding beyond the first year is dependent on the availability of appropriated funds for State and Jurisdictional Humanities Councils General Operating Support Grants in subsequent fiscal years, satisfactory recipient performance, and a decision that continued funding is in the best interest of the Federal Government.

Cost Sharing

This program requires a one-to-one cost share. Cost sharing or matching is the portion of the project costs not paid by NEH funds. By law, NEH cannot support more than 50% of the costs of a state or jurisdictional humanities council's activity. You must match NEH funds with cash, earned income, other federal grants, or in-kind contributions. You may use federal funds to meet your cost share.

NEH views cost sharing as a means of ensuring that many individuals and organizations are meaningfully involved in a council's work. It encourages you to meet cost-sharing requirements from a wide range of contributions and discourages relying solely on contributions at the subrecipient level. See [Matching Guidelines for General Support Grants to State Humanities Councils](#).

The following policy applies only to the American Samoa, Commonwealth of the Northern Mariana Islands, Guam, and U.S. Virgin Islands humanities councils: In accordance with [48 U.S.C. 1469a\(d\)](#), as amended, NEH waives the cost-sharing requirement for the first \$200,000 in outright funds awarded each fiscal year under this notice. The remainder of the outright funding provided under the statutory formula continues to require dollar-for-dollar cost sharing.

You must maintain auditable records documenting the source and use of cost share, consistent with [2 CFR § 200.306](#).

C. Eligibility Information

1. Eligible Applicants

The only eligible applicants are the [independent, nonprofit 501\(c\)\(3\) state and jurisdictional humanities councils](#).

2. Other Eligibility Information

An organization may submit only one application under this NOFO.

If you submit multiple applications, NEH will accept only your last validated submission prior to the deadline under the applicable Grants.gov funding opportunity.

3. Subrecipient Eligibility

State and jurisdictional humanities councils are authorized to issue subawards to:

- private nonprofit organizations
- institutions of higher education
- state, local, and federally recognized Indian tribal governments
- groups of persons that form an association to carry out a project
- individuals

Non-public organizations or groups that apply for funding must be constituted for nonprofit purposes, and donations to them must be deductible under the Internal Revenue Code ([26 U.S.C. § 170\(c\)](#)). Such organizations or groups are not required to be incorporated or have tax exempt status.

State and jurisdictional humanities councils may not issue subawards to:

- foreign entities
- for-profit entities
- entities functioning solely as fiscal agents

Per [2 CFR § 25.300](#), councils may issue subawards using NEH funds (and funding from other federal agencies contributed as cost share) only to organizations that have obtained and provided to the council a Unique Entity Identifier (UEI). Subrecipients may obtain a UEI from the [System for Award Management \(SAM\)](#). NEH does not require subrecipients to complete full SAM registration to obtain a UEI but encourages them to do so.

Councils may issue non-federally funded subawards to subrecipients that do not have a UEI or are not registered in SAM. Councils may use non-federally funded subawards for humanities programming to satisfy required cost share/match if the subrecipient is eligible and all costs included in the subaward are allowable and allocable to the project.

Councils must verify the eligibility and monitor the performance of subrecipients which receive NEH funds and those which the council uses to meet cost sharing obligations, consistent with [2 CFR § 200.332](#). Councils are responsible for improper payments to ineligible subrecipients.

3. Budget Instructions Specific to this Program

SF-424A: Budget Information – Non-Construction Programs

You must submit a budget using Section B of the SF-424A for costs you will incur during the budget period. Projects must start between November 1, 2026, and May 1, 2027. You must also complete a separate **budget justification** to explain your budget costs.

All costs, whether supported by NEH funds or required cost sharing contributions, must be **reasonable, necessary to accomplish project objectives, allowable** in terms of [2 CFR 200 Subpart E - Cost Principles](#), auditable, and incurred during the period of performance. Costs are subject to audit, record retention, and other requirements set forth in [2 CFR 200 Subpart F - Audit Requirements](#).

Per [2 CFR § 200.403\(f\)](#), NEH does not permit overlapping costs on two or more awards for federal funding and/or approved federal award budgets.

The inclusion of a cost category on the 424A does not automatically indicate that an expense is allowable. See [A.2 Funding Restrictions](#) to ensure that costs are not disallowed.

Indirect costs are not permitted on general operating support awards.

Round all costs to the nearest whole dollar. If cents are less than 50, round down. If cents are 50 and higher, round up. Do not include cents in the 424A or your budget justification.

Budget justification

Cost Summary: At the top of your budget justification, you must provide:

- The total NEH dollar amount budgeted
- The required one-to-one cost share total amount budgeted
- Your summary total must match the total on your SF-424A.

When preparing your budget justification, use the same SF-424A section headings. For each requested cost, you must:

- Describe how each item supports your proposed objectives
- Explain how you calculated each cost (e.g., \$50/hour x 20 hours = \$1,000)
- Include supporting documentation such as price searches, vendor quotes, or contract estimates, as applicable

Conferences, events, and food

Per [2 CFR § 200.432](#), allowable conference costs include speakers' fees, costs of meals and refreshments, and other incidental items. Per [2 CFR § 200.423](#), you must not use federal funds for alcohol. **You must exercise discretion and judgment to ensure that expenses are appropriate, necessary, and managed in a manner that minimize costs to the award.**

See [Allowability of Food Costs on NEH Awards](#), for the specific circumstances when food costs are allowed. They must be fundamental to the project and indispensable for carrying out the scope of the work. You may not use federal funds for meals or refreshments at receptions or networking events.

If participants receive complimentary meals or refreshments during meetings, conferences, training, or other events while on NEH-supported travel, you must reduce the per diem you charge to the award.

Section B – Budget Categories

The form includes four columns for different object class categories. Allocate costs across the following [four functional activities](#):

- **Program services, council-conducted projects, and public meetings:** costs for council-conducted projects and public meetings, including related publicity and outreach
- **Fundraising:** costs associated with raising the required one-to-one cost share (e.g., development staff, campaigns, proposal costs, fundraising events)
- **Regrants:** the amount allocated to regrants (subawards and fellowships), including the corresponding one-to-one cost share contribution
- **General management:** costs associated with maintaining day-to-day operations, including administrative costs for subaward programs (e.g., subrecipient monitoring, site visits, grant administration, reporting) and financial management

a. Personnel

You must claim salaries and wages in compliance with [2 CFR § 200.430](#) and [.466](#).

If you charge 100% of an employee's salary to your General Operating Support grant, you cannot include their salary on another award from NEH or other federal agencies during the same budget period.

In the SF-424A, enter the aggregate personnel costs for each category.

In your budget justification, list each person, their position title, annual salary or hourly wage, and percent full time equivalent or total number of hours charged to each functional activity. Describe their roles in and suitability to the project.

b. Fringe Benefits

Per [2 CFR § 200.431](#), fringe benefits are allowances and services provided to employees as compensation in addition to regular salaries and wages. Fringe benefits include, but are not limited to, the costs of leave (e.g., vacation, family-related, sick, military), employee insurance, pensions, and unemployment benefit plans.

In the SF-424A, enter the aggregate fringe benefits for the corresponding personnel costs from [a. Personnel](#).

In your budget justification, identify the fringe benefit rate and explain the basis for the calculation for each person.

c. Travel

Travel costs must comply with [2 CFR § 200.475](#) and the [General Terms and Conditions for General Operating Support Grants to State and Jurisdictional Humanities Councils](#). Proposed costs must be reasonable and consistent with your organization's established travel policy. NEH uses the General Services Administration's [published per diem rates](#) to assess if proposed travel costs are reasonable.

You must use the lowest refundable commercial fares for coach or equivalent accommodations. **Nonrefundable travel arrangements are at your own risk.** Costs associated with cancelled travel are not allowable.

In the SF-424A, enter total travel costs by activity.

In your budget justification, describe each trip separately. For each trip, provide:

- name of the traveler(s)
- purpose of the trip
- points of origin and destination
- Itemized costs for transportation, lodging, per diem, and any other associated expenses

Local trips (such as routine travel in a metropolitan area) may be grouped together. For local travel, provide:

- names of travelers
- mileage rate
- number of miles
- purpose of travel

If you do not have detailed plans for the next year, describe how you calculated the travel costs. Summarize your institutional policies for determining travel costs.

d. Equipment

Equipment is nonexpendable personal property costing \$10,000 or more per item and having a service life of more than one year. See [2 CFR § 200.313](#) and [.439](#). You may purchase equipment if analysis demonstrates that it is more economical and practical than leasing.

In the SF-424A, enter the aggregate equipment costs by activity.

In your budget justification, detail the number and unit cost for each item, including shipping and maintenance, and explain how you calculated the cost. Provide vendor quotes or price lists.

e. Supplies

Supplies include tangible items that cost less than \$10,000 per unit, regardless of useful life. Allowable costs must comply with [2 CFR §§ 200.314](#) and [.453](#). Personal computers and accessories are treated as supplies.

In the SF-424A, enter the aggregate supplies costs by activity.

In your budget justification, indicate general categories (e.g., personal computers, program supplies, office supplies), and provide a total for each. Itemize categories totaling \$1,000 or more and provide vendor quotes or price lists.

f. Contractual

Contractual costs are activities performed by third parties. See [2 CFR § 200.331](#) for information on distinguishing between subawards and contracts.

f. Contractual	column 1	column 2	column 3	column 4
SF-424A and budget narrative	contracts	contracts	regrants + related cost share	contracts

In the SF-424A, for columns 1, 2, and 4: Enter the aggregate cost of contracts by activity.

In your budget justification, identify each third party by name, describe their role in the project and the activities they will carry out, and list the associated costs. Include supporting documents.

In the SF-424A, for column 3: Enter the anticipated total costs (regrants plus eligible cost-share contributions) of both NEH-funded and non-NEH funded regrants for humanities programming.

In your budget justification, summarize anticipated regrants for humanities programming. Indicate the portion using NEH funds and specify the anticipated cost share that recipients will provide. All costs, including cost share, must be allowable and allocable to the subaward.

g. Construction

Leave this line blank. Per the [General Terms and Conditions for General Operating Support Grants to State and Jurisdictional Humanities Councils](#), NEH funds may not be used for any costs related to the purchase of land or facilities by a council or for the construction, renovation, or alteration of council-owned facilities.

h. Other

In the SF-424A, enter the aggregate cost of items not previously listed under other budget categories.

In your budget justification, itemize, describe, and justify these costs by functional activities (e.g., mailing, space or equipment rental, association dues, subscriptions). See [2 CFR § 200.454](#). “Miscellaneous” and “contingency” are not acceptable budget categories. Include supporting documentation.

i. Total Direct Charges (sum of 6a-6h)

The SF-424A form will calculate total direct costs.

j. Indirect Charges

Leave this line blank. Indirect costs are not permitted on General Operating Support grants. You should charge [general management costs](#) such as office rent, maintenance, telephone, and utilities to the General Operating Support grants as direct costs. See [h. Other](#).

k. Totals

The SF-424A form will calculate total costs.

Total costs (shown in row K, column 5) must equal the amount of NEH funding plus the required one-to-one match, subject to the terms and conditions of your award.

7. Program Income

If applicable, enter any anticipated program income. If your NEH-supported activities generate income during the period of performance, you must use it for additional approved project-related activities or contribute it toward your cost sharing requirements

E. Application Review Information

1. Review Process

NEH staff review applications in this program for eligibility, completeness, and responsiveness.

NEH staff share the information that the state and jurisdictional humanities councils provide in their annual plans (submitted with the application) and annual reports (submitted following the close of the most recent funding period) with the [National Council on the Humanities](#). The National Council meets at least twice annually to advise the NEH Chairman. The Chairman considers the advice provided by the review process and, by law, makes all funding decisions.

2. Intergovernmental Review

This funding opportunity is not subject to intergovernmental review under [Executive Order 12372](#).

F. Submission Information

1. Application Package

You must apply using Grants.gov Workspace or a Grants.gov system-to-system solution. You can find this funding opportunity in Grants.gov under number 20260406-SO. There is also a link on the [program resource page](#).

2. Submission Instructions

The deadline for applications under this notice is April 6, 2026, at 11:59 p.m. Eastern Time.

Late or incomplete applications may result in funding delays.

When NEH receives your application from Grants.gov, the agency will assign it a tracking number beginning with SO-.

Under this notice NEH will consider only applications that are complete, comply with length and formatting requirements, and have been validated by Grants.gov under the correct funding opportunity prior to the deadline.
