FY 2026 HP-CMV NOFO and HP-ITD NOFO

The Federal Motor Carrier Safety Administration (FMCSA) pre-recorded the FY26 HP-CMV and HP-ITD Funding Conference webinar that covers the following Notice of Funding Opportunities (NOFO) posted on Grants.gov:

- **FY 2026 High Priority – Commercial Motor Vehicle (HP-CMV)**
- **FY 2026 High Priority - Innovative Technology Deployment (HP-ITD)**

To access the pre-recorded webinar materials, please visit:

<https://www.fmcsa.dot.gov/fy26grantfundingopportunities>

FMCSA will also be hosting a **Live Office Hours Session** on **Thursday, May 28 from 12:00-12:30 pm ET**. Please register for this session

here: <https://usdot.zoomgov.com/meeting/register/A1QMPeo4RsOtQSfCFzWR5A> .

Important Guidelines for the Office Hours Session

To ensure fairness and consistency for all applicants, FMCSA staff will adhere to the following boundaries:

- Staff can clarify information included in the NOFOs
 - Staff cannot assist with application development, including reviewing or editing proposal language
 - Questions related specifically to eligibility should be submitted via email to the appropriate grant program managers; these will be addressed outside of the live sessions
-

If you have not viewed the FMCSA Discretionary Grant Program Technical Assistance webinars, please view at: <https://www.fmcsa.dot.gov/grantswebinars> to assist with preparing an application.

Please note that participants should FULLY READ the NOFO(s) they are interested in BEFORE the live office hours session, to familiarize themselves with the current and relevant information.

FMCSA looks forward to addressing your questions.
