2. Executive Summary

The U.S. Department of State's Embassy Tashkent announces an open competition for a cooperative agreement to implement " Storytelling to Safeguard Cultural Identity and Sovereignty: Bolstering the Tourism Industry" in Uzbekistan. This program aims to maximize the impact of U.S. investments in cultural heritage preservation and Ambassadors Fund for Cultural Preservation (AFCP) projects amplifying shared civilizational values and U.S. linkages

while enhancing tourism experiences and building capacity for story-telling and content creation related to AFCP-supported heritage sites across Uzbekistan.

The selected implementer will work in partnership with the Art and Culture Development Foundation (ACDF), Cultural Heritage Agency of the Republic of Uzbekistan (CHA), National Tourism Committee, National Content Creation Center, and local creative industry partners to deliver an integrated training program targeting two key audiences: tourism professionals and tour guides, and content creators (bloggers, journalists, filmmakers, and digital creators). The program will establish a specialized lab – Heritage Content Creation & Storytelling Lab – to develop practical skills and increase quality of heritage-related storytelling in different formats and platforms.

This program will enhance the visibility and impact of U.S. cultural preservation investments while strengthening U.S.-Uzbekistan cultural cooperation in support of a [Joint Statement of Intent in the Field of Cultural Heritage](#) declared during a C5+1 meeting in November 2025.

C. PROGRAM DESCRIPTION

1. Project Background, Goals, and Objectives

The United States has made significant investments in preserving Uzbekistan's cultural heritage through the Ambassadors Fund for Cultural Preservation (AFCP). These investments have supported the conservation and restoration of important heritage sites across multiple regions of Uzbekistan, reflecting the deep cultural ties between the United States and Uzbekistan and demonstrating U.S. commitment to preserving the world's cultural heritage for future generations.

However, despite these substantial investments, the full impact and visibility of AFCP-supported sites remain constrained by several interconnected challenges. Underdeveloped tourism experiences fail to attract diverse audiences or provide compelling narratives that bring heritage to life. Insufficient high-quality content limits the ability to showcase these sites to domestic and international audiences through modern digital platforms.

While legal frameworks for cultural property protection are in place in Uzbekistan, practical challenges persist on the ground. Illicit excavations continue to threaten archaeological sites, site degradation occurs due to insufficient community-level monitoring, and low awareness among local communities' limits grassroots protection efforts. At the same time, many heritage sites lack the audience-centered tour experiences, compelling storytelling, and modern digital content necessary to engage contemporary audiences—both Uzbek citizens and international visitors.

This program builds on previous U.S.-Uzbekistan cultural cooperation initiatives, including Bilateral Cultural Property Agreement and demonstrates alignment with Uzbekistan's highest-level priorities for cultural and creative sector development.

By aligning with Uzbekistan's emphasis on community-based governance and ongoing bilateral cultural cooperation, this initiative strengthens both the protection and promotion of cultural heritage. It represents a strategic approach to maximizing return on investment by ensuring that AFCP-supported sites are actively visited, publicly valued, and effectively promoted to international audiences.

Project Audience(s):

This program targets two primary groups, each playing a distinct role in the cultural heritage ecosystem:

Primary Audience 1: Tourism Professionals

- Characteristics: Tour guides, tourism operators, hospitality professionals, cultural tourism specialists
- Geographic Location: Major tourism centers and regions with AFCP-supported sites
- Age Group: Adults aged 22-55
- Level of Education: Secondary to university education, often with tourism or hospitality training
- Profession: Professional tour guides, tourism business operators, cultural interpreters
- Role: Interpreters and other professionals who connect visitors with heritage

Primary Audience 2: Content Creators

- Characteristics: Bloggers, journalists, filmmakers, photographers, digital content creators, social media influencers
- Geographic Location: Urban centers and regions with heritage sites across Uzbekistan
- Age Group: Young adults and adults aged 20-45
- Level of Education: Secondary to university education, often with media or communications background
- Profession: Professional and emerging content creators across traditional and digital platforms
- Role: Storytellers and amplifiers who shape public perception and visibility of heritage

Project Goal:

Increase visibility, and public appreciation of U.S. contributions to Uzbekistan's cultural heritage by enhancing tourism storytelling and strengthening content creation capacity at AFCP-supported sites.

This goal aligns with U.S. Mission Uzbekistan's Integrated Country Strategy objectives related to expanding U.S. trade and investment opportunities in Uzbekistan in the cultural and creative sectors.

Project Objectives:

Objective 1: Improve Quality Storytelling Skills to Enhance Tourism Experiences at AFCP Sites

- the creation of at least 10 new tour concepts with varying narratives tailored to different audiences (families, youth, international visitors, cultural enthusiasts), assessed using a standardized rubric with pre-defined criteria, within 12 months.

Objective 2: Develop Professional Content Creation Skills Related to Cultural Heritage Sites

Objective 3: Reinforce U.S.-Uzbekistan Cultural Property Agreement Implementation

- At least 70% of participants demonstrating improved knowledge of cultural property protection principles (pre/post assessment or short quiz)

Objective 4: Facilitate collaboration between tourism professionals and content creators to co-produce cultural heritage content at AFCP-supported sites, resulting in:

- At least 60% of participants collaborating on at least one documented joint project with content creators or heritage professionals during the project period.

rate of pay, which should cover the percentage of time each staff member will dedicate to grant-based activities. If an organization is charging an indirect cost rate without a NICRA, it must apply it to the modified total budget costs (MTDC), refer to 2CFR§200.1. **Budgets shall be submitted in U.S. dollars** and final grant agreements will be conducted in U.S. dollars.

- **Budget Justification Narrative** – Applicants must submit a budget justification narrative to accompany the detailed line-item budget. - **Sustainability** – 5 points: The project proposal describes clearly the approach that will be used to ensure maximum sustainability or advancement of project goals after the end of project activity.

2. Indirect Costs

If two or more applications receive equivalent scores based on the evaluation criteria outlined in this NOFO, preference will be given to the applicant with the lower indirect cost rate, as consistent with Executive Order 14332, Section 4(b)(iii). This preference will only be applied as a tie-breaking mechanism and does not supersede the primary evaluation criteria.

3. Review and Selection Process

- a. Acknowledgement of receipt. Applicants will receive acknowledgment of receipt of their proposal.

- b. Review. All submissions are screened for technical eligibility. **If a submission is missing any required forms/documents listed above in Section D. Application Contents and Format, it will be considered ineligible and will not be reviewed by the grants review committee.** A technical review panel will review eligible proposals based upon the criteria noted in this NOFO.
- c. Follow up notification. Applicants will generally be notified within 120 days after the NOFO deadline regarding the results of the review panel.

4. Risk Review

- i. Under the merit review as required by 2 CFR 200.206, prior to making a Federal Award the Department will review and consider the following risk factors:
 - a. Financial stability
 - b. Management systems and standards
 - c. History of performance
 - d. Audit reports and findings
 - e. Ability to effectively implement project requirements
- ii. Responsibility/Qualification Information in SAM.gov

The Federal awarding agency, prior to making a Federal award with a total amount of Federal share greater than the simplified acquisition threshold, is required to review and consider any information about the applicant that is in the U.S. government designated integrity and performance system accessible through SAM.gov (see 41 U.S.C. 2313).

An applicant can review and comment on any information in the responsibility/qualification records available in SAM.gov.

Before making decisions in the risk review required by 2 CFR 200.206, the Department will consider any comments by the applicant, along with information available in the responsibility/qualification records in SAM.gov.

- iii. High Risk Designation

Awardees that are deemed to be high risk based on the above risk factors will be held to special award conditions. At a minimum, the recipient and/or project designated as High Risk will be required to submit monthly narrative reports and/or quarterly detailed financial reports. Recipients may also be required, upon request of the Grants Officer or Grants Officer Representative, to provide electronic copies of receipts or other supporting documentation (e.g., timesheets, travel documents) for costs incurred. The Grants Officer may withhold 10% of the award amount until final reports have been reviewed and approved by the GO. The recipient may be required to pay all salaries supported by the grant via electronic funds transfer. Other special award conditions may also be included if deemed appropriate by the Grants Officer.

G. AWARD NOTICES

The award or cooperative agreement will be written, signed, awarded, and administered by the Grants Officer. The award agreement is the authorizing document, and it will be provided to the recipient for review and counter-signature. The recipient may only start incurring project expenses beginning on the start date shown on the award document signed by the Grants Officer.

If a proposal is selected for funding, the Department of State has no obligation to provide any additional future funding. Renewal of an award to increase funding or extend the period of performance is at the discretion of the Department of State.

Issuance of this NOFO does not constitute an award commitment on the part of the U.S. government, nor does it commit the U.S. government to pay for costs incurred in the preparation and submission of proposals. Further, the U.S. government reserves the right to reject any or all proposals received.

Payment Method:

Recipients will be required to request payment by completing form SF-270—Request for Advance or Reimbursement and submitting the form to the Grants Officer and Grants Officer Representative.

Recipients may not draw down funds without the affirmative authorization of the Department of State. In addition, recipients must submit, with each SF-270 payment request, a detailed explanation justifying the request.

I. OTHER INFORMATION

Guidelines for Budget Justification

Personnel and Fringe Benefits: Describe the wages, salaries, and benefits of temporary or permanent staff who will be working directly for the applicant on the program, and the percentage of their time that will be spent on the program.

Travel: Estimate the costs of travel and per diem for this program, for program staff, consultants or speakers, and participants/beneficiaries. If the program involves international travel, include a brief statement of justification for that travel.

Equipment: Describe any machinery, furniture, or other personal property that is required for the program, which has a useful life of more than one year (or a life longer than the duration of the program), and costs at least \$10,000 per unit.

Supplies: List and describe all the items and materials, including any computer devices, that are needed for the program. If an item costs more than \$10,000 per unit, then put it in the budget under Equipment.

Contractual: Describe goods and services that the applicant plans to acquire through a contract with a vendor. Also describe any sub-awards to non-profit partners that will help carry out the program activities.

Other Direct Costs: Describe other costs directly associated with the program, which do not fit in the other categories. For example, shipping costs for materials and equipment or applicable taxes. All “Other” or “Miscellaneous” expenses must be itemized and explained.

Indirect Costs: These are costs that cannot be linked directly to the program activities, such as overhead costs needed to help keep the organization operating. If your organization has a Negotiated Indirect Cost Rate (NICRA) and includes NICRA charges in the budget, attach a copy of your latest NICRA. Organizations that have never had a NICRA may request indirect costs of 15% of Modified Total Direct Costs (MTDC) as defined in [2 CFR 200.1](#).

“Cost Sharing” refers to contributions from the organization or other entities other than the U.S. Embassy. It also includes in-kind contributions such as volunteers’ time and donated venues.

Alcoholic Beverages: Please note that award funds cannot be used for alcoholic beverages and other entertainment related expenses.
